**PROCEDURE FOR ADMISSION TO A
SHRINERS BURN HOSPITAL**

Admission to a Shriners Burn Hospital is essentially the same as to a Shriners Hospital for Children. Here, however, it must be stressed that timing may be of utmost importance. The final outcome of a burn case may be greatly dependent upon the type of treatment and the speed with which it can be started. Therefore in emergency, the Chief Surgeon has the authority to admit the patient, having the application completed at a later date. If then you know of an emergency burn case, immediately call the Shine Ambassador in the area. Let's not miss a chance to put out a helping hand. Be a true Shriner!

Potentate's Message

April showers bring the flowers that bloom in May. Hopefully..... As I write this our temps are still in negative numbers or single digits!

March was indeed a busy month. We had the YOSHI Fun Night, the "Support the Transport" night,

Pokagon Meet & Greet, Director's Staff Beer Tasting, and the YOSHI Easter Party at Jungle George's, along with our routine unit meetings etc. A big thank you to all the Nobles who make these events the success they are.

At this time we have 7 parades scheduled. These are great opportunities to tell the public what the Shrine is all about while at the same time having a great time with our fellow Nobles. May 2nd is our first parade of the year at the Shipshewana May Fest. Here's hoping for a great turn out. The folks in Shipshewana are really excited about Mizpah being there, so I'm certain we will have a large crowd. Following that, we will have Imperial on July 4th, 3 Rivers on July 11th, Orland on July 25th, North Manchester on August 8th, Great Lakes Shrine Association on September 19th and the Decatur (Callithumpian) on October 26th.

Our next "Really Big" event is our Spring Ceremonial on April 25th following the Grand Master's One Day Class. We are hoping for a good sized group of men to join us and become active members of Mizpah. So, get out there and sign up candidates. We can accept petitions up to and including the day of the Ceremonial.

It is my singular pleasure to announce that I have chosen Brother/Noble Larry Ashley to be the 2015 Spring Ceremonial Class Honoree. Noble Ashley is a long time Shriner, member of our Class Directors, Hillbillies, and Pokagon Shrine Club and has served as a Chief Aide, and on many committees. More importantly, I consider him a friend I can call upon for advice and have always received "good counsel". Be sure to congratulate Larry. This recognition is greatly deserved.

Shriner Primer

If you don't think former President Gerald Ford, astronaut Edwin "Buzz" Aldrin, country crooner Brad Paisley and race car driver Sam Hornish Jr., have anything in common besides celebrity, you need the Shriner Primer. If you think that "Potentate" is the strength of hot sauce that lies somewhere between "mild" and "hot" at your favorite burrito joint, you need the Shriner Primer.

And if you think the only thing Shriners - those guys in the odd-looking, tasseled, red hats in your local Independence Day parade - do is ride around in tiny cars, you really need the Shriner Primer.

Download the Shriner Primer (in PDF format) and enjoy our version of the CliffsNotes® on Shriners International. Spend a few minutes perusing the booklet, and we hope you'll have a better insight into the Shriners, the fraternity, Freemasonry and Shriners Hospitals for Children. At the very least, you'll be able to amaze your friends with your knowledge of American trivia. At the very most, you'll be inclined to continue learning more!

The first Shriners meeting was held in New York City in 1872.

To become a Shriner, a man first must be a Master Mason.

All Shriners are Masons... but not all Masons are Shriners.

The fez was named after the town of Fez, Morocco, where it originated.

The chief executive officer of Shriners International is the Imperial Potentate.

The first Shriners Hospital for Children opened in Shreveport, La., in 1922.

Khyber Gun Club

Greetings Nobles;

A spring trap shoot is still planned for April 21 at the Horse Patrol grounds, weather permitting. All members of Mizpah, friends and guests are welcome to the event. Loaner guns and ammo at reasonable prices are available - shooting starts at 6:00.

Don't forget the Spring Ceremonial is April 25 following the Grand Master's one day class. Check the Allah Bi for the time and arrangements. Also plan to attend the April stated meeting.

The next meeting of the KHYBERS will be on April 28 with the meeting opening at 7:00 in the Cabiri room. Festivities will begin with fellowship at 6:00 in the lounge integrated with drinks and eats from the lounge's menu.

Fraternally;

Dear Bagpipe Fans,

It is hard to write about an event that will probably be over by the time you read this, but I want to tell you about the excitement that builds before St Patrick's Day. This is our biggest set of gigs for the year and we relish the fun and camaraderie!

Greg has been diligently working to prepare the band for our appearances in public. He and Dick came up with the list of tunes that lend impact to our performances. Greg has been working to making sure that we put the right emphasis on each area that needs to be stressed.

Dick has driven through all sorts of weather to be there to guide us and help Greg. Dick has also agreed to play "Down by the Sally Garden" as our lead into "Minstrel Boy".

Once again, we will split the band for two separate sets (Shepard's House and The Green Frog). Last year, Scott and Mark did a great job at The Green Frog. Scott even played a number of soloes (to the enjoyment of the crowd). Greg has set up so that band will start with the Military Medley at the Shepard's House. Those old veterans really eat that up!

Speaking of the Shepard's House, it is good to have Lonnie back with us. He is finally nearing completion of his building projects there and is able to attend practices.

Lance has been making great strides with the bass drum and, between him and Brad, we finally have a drum section. Brad has been making a lot of progress and his improvement is an asset to the band. Having Lance on the bass also means that we can get Mark back on the pipes.

Lest I forget anyone, Bobby has been a stalwart member of the band. It is nice to have a unit member that you can depend on to be there whatever the event.

We welcome anyone who would like to join the band. You don't have to have prior musical experience. We teach bagpipe lessons and the drum section is always glad to have another player. This could be your chance to become part of a great tradition.

We meet every Wednesday. Lessons are at 6 pm and practice begins at 7 pm.

Mizpah Vettes

Well it looks like, as I write this, winter does not want to let go. It seems that we will have to wait longer than we like for that warmer Vette type weather to arrive. Hopefully spring is not far away.

At our February meeting the MIZPH VETTES were pleased to welcome a new member to our Club. Steve Sickafoose and Lady Beth Ann of South Whitley along with their 2014 Corvette Convertible became our newest member, we are happy to have you with us.

Our 2015 parade schedule is rapidly taking shape with four or five Sanctioned Parades on tap. I say four or five because, as was announced at the March Stated Meeting by our Potentate, Gary Soblotne, the Three Rivers Parade Committee has placed restrictions on Mizpah's participation by limiting the number of units it will allow and the number of participants per unit. A decision on Mizpah's participation has not been made at the time I write this. *(editor's note: see parade schedule on page 5)*

The Vettes have scheduled a number of non sanctioned parades in the area with Huntington, Columbia City, Auburn, and Bluffton locations on our schedule. We of course will be at the Decatur Callithumpian Parade, however this year it has become a sanctioned parade. It has been a number of years since all units have paraded at Decatur, but I am sure everyone will enjoy participating as this is one of the oldest parades in the area and draws a lot of spectators, and is very well organized.

The Vettes have once again decided to conduct a cash raffle in conjunction with Mizpah's Sportsmans Raffle. Tickets for this will soon be available, priced at five dollars each or five for twenty and we have elected to award two winners instead of just one as in the past.

We are planning on scheduling a dinner caravan at our next meeting. Vette members are to bring their suggestions on a location for the first caravan that will be held in April. Should be a good time.

Until next time, keep shining those Vettes.

Dee Byerly, Pres.

Legion of Honor

Greetings Legionnaires,
First I would like to acknowledge and thank Brothers Barker, Page and Stabler for their work in selling Shrine Circus advertising. Their hard work generated three hundred sixty dollars for the Legion Of Honor's treasury. Hopefully next year we can do even better with greater participation of our membership. Let's start thinking ahead of businesses we frequent who might be interested in purchasing an ad
Next I would like to congratulate Carl Brown as Mizpah's newest trustee.

Parade season is coming soon and we all need to be thinking ahead. Our first parade is May 2nd in Shipshewana. For the LOH our second parade will be the Memorial Day Parade in Fort Wayne. The date is Monday, May 25th. We will marshal at 1000 at State and Parnell with the parade starting at 1100. I would really like to see as many Legionnaires as possible come out for this parade, after all this parade is for our fallen brethren.

Well on the subject of parades it has been decided to sell our parade trailer. Please help spread the word that it is for sale. For information or to see the trailer contact our Captain, John Stanwood, at 260-310-0104. No reasonable offer will be refused. We are still looking for ideas of what we could sell at the Sportsman's Raffle as a fund raiser. Please contact me at 260-437-5393 with your ideas.

Raffle tickets for the Sportsman's Raffle will be available at the April meeting with the drawings held on September 12th. For every book of three tickets sold by the LOH through August 15th \$2.00 will be returned to the Legion.

The Horse Show is coming up June 20 & 21, volunteers are needed to work at the show. Please help if you can.

Lastly, April 25th is the one day class and Shrine Ceremonial. Lets make a concerted effort to bring a Brother Mason into Mizpah.

Respectfully,
Jim Olds, Commander

Kosciusko SC

Greeting from Kosciusko County Shrine Club

We are all aware that the true success of any group or organization is the membership. What has always impressed me with Shrine is that our members seem to be just as hard working and dedicated to other organizations in our community. A great example of this, is our own Noble V.P. Tony Ciriello, who was awarded the Sagamore of the Wabash Award from Governor Pence. Not only was this honor deserved, he earned it through his many hours on serving our community. Congratulations to Noble Tony.

Upcoming events: April/May Onion Sales: May, Fish Fry. More on these events in May's article.

Kosciusko Shrine Club meets on the second Wednesday of each month in the Shrine Building at the fairgrounds in Warsaw, Indiana. Happy Hour is at 6:30 in the evening, meal at 7:00 with the meeting following after. All are welcome, so plan on showing up and see what we have to offer.

Remember what Da Judge said: Shake them bushes, Find a Good Man, Make him a Mason and Turn Him on to Shrine.

Hospital Unit

We had two functions to benefit the Hospital Transportation fund in March. I don't have any results at this time but I hope they were successful. Thanks to everyone that attended the Chicken and Noodles dinner at Green Center United Methodist Church from 3-7 and the dance at the Shrine on 3-14.

LNO hosted by Sue and Bob Dumford at the Sleepy Owl in Syracuse was great food, good time and enjoyed by all. March LNO was at Brevins in Busco, one of our favorites, with the same results, all honoring the Ladies for their special support to help us. April we will be at Hall's Factory with Bill and Margaret Kintzel as our hosts on April 18 in Fort Wayne, Mood Control at 6:PM. Mark your calendar and see you there.

April 3 is Good Friday Trail Ride which helps us get back in the saddle from our nasty winter. Seems like our horses are always ready to get back in use and enjoy their chance to get active. I just hope all the couch riders feel the same way.

Remember April meeting was moved to the 2nd Thursday to miss Good Friday for meeting and Spring Fling which follows the next day. Hope you have your ticket, this is a great time, good steak meal, plenty to drink, plus chance to win \$3000.00, How can you lose? We should have all the details ready to finalize at the meeting for the arena drainage with options and date for work and completion, ready for all the shows Business Manager John has book. He and Bob Dumford have all the updates on the Charity Horse Show and show bill of classes to pick up. The Program Book sponsor adds for the show are on sale and will be needed by dead-line of May 15. You will be contacted to renew yours or purchase one to help with a nice check to go to the Hospital. Thanks to all. \$10,000 was donated last year, we hope to improve that amount this year with ever ones help. If you want an add or need info please call me at 260-609-7925, or the same if you can sign up to help at the show June 20 or 21, Thanks in advance.

Capt. John VanVoorst will have his first practice May 9 following the May 2th Shishewana parade, both good to get the season a nice start. I better go pet my horse so he'll be nice to me, so off to the barn and happy trails.

Hapzim SC

The Hapzim Shrine Club held its annual Circus Essay Contest for the elementary students who attend the 2015 Shrine Circus. This year, third and fourth graders were included since the students were unable to attend in 2014.

Each student attending the circus was required to submit a maximum 150 word essay about their day at the Mizpah Shrine Circus. The essays were reviewed by each class teacher and one essay was chosen to represent that class.

Members of the Hapzim Shrine Club met on a Saturday in February and read all of the essays. The top three students from each grade were selected. The students and their immediate family were invited to attend the awards presentation with dinner held at the Cottage Event Center in Roanoke.

The winners for this year were Elle McDonald of Andrews Elementary, Kelsey Stout of Northwest Elementary, Avery Pohler of Northwest Elementary, Jillian Melcher of Huntington Catholic Elementary, Karyna Haskett of Lincoln Elementary, and Kylie Finton of Andrews Elementary. Congratulations to all of the winners. *(pictured with President Steve Maxwell)*

Each received a Circus hat, a Potentate's Pin, a Circus Pin, and a gift card for Barnes & Noble Book Store.

A big Thank You to Jim Wall for organizing this event and to all who read the essays and help choose the winners.

The Hapzim Shrine Club meets on the Fourth Wednesday of each month at 6:30 p.m. at the Country Post Restaurant in Huntington. Please join us for some fun and fellowship.

Shriners Hospitals for Children: Continuing Leadership in Research and Patient Care

Research is one of the cornerstones of the three-part mission of Shriners Hospitals for Children®. Our in-house research teams include renowned experts whose discoveries have changed treatment methodologies and improved the lives of countless children coping with debilitating conditions. Shriners Hospitals for Children is committed to the pursuit of knowledge that improves medical care.

Researchers' Genetic Breakthrough

Recently, researchers at Shriners Hospitals for Children — Canada were the first to identify the genetic defect underlying a painful bone disease in children and teenagers. Led by Frank Rauch, M.D., a pediatrician, and Pierre Moffatt, Ph.D., a basic scientist, the team discovered that when a part of the RUNX2 gene is duplicated it causes a disease called metaphyseal dysplasia with maxillary hypoplasia and brachydactyly or MDMHB. The discovery was published in the February 2013 issue of *The American Journal of Human Genetics*.

Those with this condition endure a life of pain. Their teeth break easily and can be so painful that they have them pulled by the age of 20. As these patients grow, many have breaks in their spines, similar to what occurs in elderly people with osteoporosis. According to Dr. Rauch, "Now that we know the cause, we can identify patients with this disease earlier, and address their problems sooner."

Frank Rauch, M.D.

Pierre Moffatt, Ph.D.

The EOS Imaging System provides a 3-D full body scan, capturing patients in a natural standing or seated position.

State-of-the-art Imaging System

Offering the most up-to-date treatment options is also a hallmark of our health care system. Shriners Hospitals for Children — Portland recently opened its state-of-the-art imaging center, complete with a new EOS Imaging System. This imaging system is the first technology capable of providing 3-D full-body images of patients in a natural standing or seated position, with a low radiation dose. According to Michael Aiona, M.D., chief of staff, "EOS represents a true breakthrough, offering the most advanced low-dose X-ray technology for orthopaedic imaging."

The EOS system provides high-quality radiographic images of the skeleton. It also delivers a radiation dose up to nine times less than a computed radiology X-ray, and up to 20 times less than a CT can. This low dose makes the system of particular value for pediatric patients, especially children who need to be imaged frequently to monitor disease progression, such as those with scoliosis.

Three-dimensional body images of the skeleton allow physicians to make more informed diagnosis and treatment decisions. The new imaging center was made possible through a direct-use gift from a friend of Shriners Hospitals for Children — Portland. 2015 Spring Ceremonial Class Honoree Larry Ashley

We are pleased to announce that Larry Ashley has been selected to be the Class Honoree for Mizpah's Spring Ceremonial.

Larry and his wife of 55 years, Sara, have 2 sons, Greg who is deceased, and Mark and his wife Adelaine. who live in California. Larry and Sara have 2 grandchildren and one great grandchild.

Larry is a retired salesman and lives in the Angola area. He is an avid golfer and brags that he once caddied for Gene Sarrazan. If you remember Gene Sarrazan, you are really old. Some will tell you he talks with his hands and sometimes spills things.

Larry is a member of Angola Lodge #236 and has been a member of Mizpah since 1981. During that time he has been a member of the Class Directors, where he currently serves as Secretary. He is also a member of the Pokagon Shrine Club and the Hillbillies. In addition he has served on numerous Ball Committees, been a Potentates Aide 4 times, once as Chief Aide to Jim Lobsiger. He also served on the 2004 GLSA Committee.

As you can see, Larry is a very involved and dedicated Shriner. I am proud to be able to give Larry this much deserved recognition.

If I should die and leave you
here a while,
be not like others sore undone,
who keep long vigil
by the silent dust.
For my sake turn again
to life and smile,
nerving thy heart
and trembling hand to do
something to comfort other
hearts than thine.

Complete these dear unfinished
tasks of mine
and I perchance may therein
comfort you.

Daughters of the Nile

Ladies of the Household,

I can not express the appreciation and respect I have for all of you. I especially want to thank each one for putting your trust in me to be your Teti Sheri Queen for the next year. This comes with humble gratitude. I will strive to do the very best I can for you and our Temple. I am looking forward to a very successful and profitable year. My focus is to concentrate on the Shriner's Hospital for Children, that we will be able to make a difference in the lives of the children and their families through our dedication, support and volunteerism. It will take each individual member to bring this to fruition not just a select few. That being said I am asking that each member, club and unit help do all they can as your time allows to accomplish our goal.

I have spent a great deal of time concentrating on events and fundraising activities for our next year. I am sure you will find them new, refreshing and enjoyable. We will be starting out strong this month. The Teti Sheri Nile Birthday Party will be held Saturday April 18. Lunch will be served at 12:30 PM followed by a hands on lesson of flower arrangement from a Representative of Moring's Flowers & Gifts. This should be a lot of fun as this is something we have never done before. On Saturday May 9 we will be having a Mother/Daughter Brunch from 11 AM until 3 PM. Bring any and all of your female family members or friends. This will also be open to all the Shrine Ladies. You do not need to be a member of Teti Sheri. Beginning at 1 PM we will test our creative side with "Painting with a Twist". More activities are planned throughout the year and will be announced at a later date.

On Monday April 6th I will be having a practice at 7 PM to prepare for our Stated Session Wednesday April 8th @ 7 PM. Everyone please plan on attending. At your meetings in April, Clubs and Units should be thinking and discussing the respective fundraising plans you will be hosting along with the dates for this year. These will be presented to the Temple for approval at the May Stated Session. If your Unit is not having a meeting in April please contact all members and discuss this issue to set your plan into action. This information will be included in the Queen's Year Book you will receive in May.

Last but certainly not least, I would like to thank Past Queen Melody Tolliver for a terrific year. Even with a few hiccups we had an extremely fun 2014-2015 year. I really enjoyed the new ideas Melody brought to the table. I actually had a blast helping out anywhere I could and enjoyed immensely the events that were held. I so look forward to your help and guidance through this next year. As I also will with all of our members. I anticipate a most fun and rewarding year with all your help and commitment as we work toward bonding with the Mizpah Shrine to support the Children, their families and the Shriner's Hospital for Children.

"It's determination and commitment to an unrelenting pursuit of your goal that will enable you to attain the success you seek." Mario Andretti

In Nile Love to each of you,
Deb, Queen

The Shriners' Legacy Program

Enriching our Families, Enriching our Story

As Shriners, we are part of an international organization that strengthens us individually, enhances our families and makes us part of a history of brotherhood and camaraderie. As Shriners, we also have the opportunity to be Legacies. The Legacy Program helps strengthen our fraternal bond with those closest to us, and allows members to honor the many men before us who laid the foundation of our great fraternity.

Promoting both membership and the Legacy Program will help ensure the future strength of this great organization that has enriched so many of our lives. Shriners International invites each of you to be part of the Legacy Program, and to encourage your family members to participate, as well.

Step 1: Who is Eligible?

All family members, including: sons, sons-in-law, brothers, uncles, grandfathers, etc. are eligible to become part of the Legacy Program. To make the registration process easy, the membership development office only requires one member of the family's legacy to register on Shriners Village.

Step 2: Register on Shriners Village

When logging in to your account on Shriners Village (shrinersvillage.com), click on the "Membership" tab on the top of the web page. From this page, select the "Legacy Program" on the left-hand side of the screen. On the Legacy Program's main page you will have the opportunity to read more about the program and visit the registration page via the "click here" link.
