PROCEDURE FOR ADMISSION TO A SHRINERS BURN HOSPITAL

Admission to a Shriners Burn Hospital is essentially the same as to a Shriners Hospital for Children. Here, however, it must be stressed that timing may be of utmost importance. The final outcome of a burn case may be greatly dependent upon the type of treatment and the speed with which it can be started. Therefore in emergency, the Chief Surgeon has the authority to admit the patient, having the application completed at a later date. If then you know of an emergency burn case, immediately call the Shine Ambassador in the area. Let's not miss a chance to put out a helping hand. Be a true Shriner!

Potentate's Message

It's impossible to say how great our first month in office has been as this article needed to be completed by January 10th. We have had installation of the officers who will represent the nobility for 2014, held the unit head meeting, and met with the 2014 Aides.

We have a great Divan, all of whom are ready and willing to work as a team for the well-being of all the nobility. Completing the move to our new building, setting up club and unit rooms, and continuing uninterrupted business are all goals we hope to accomplish in 2014.

Some of the other goals are:

Fellowship

Promoting camaraderie, fellowship and just plain putting the fun into being a member of Mizpah. Work towards this end begins with every noble and the attitude we have dealing with everyday matters. When considering what we want to accomplish, where we want to be and how we are going to get there depends on each and every one of us. Your constructive input will be greatly appreciated. It is not what is good for the individual, but what is good for the entire nobility.

Your attendance at club/unit meetings and stated meetings is one way to meet new people, reacquaint with old friends, and renew the spirit of our philanthropy for helping kids. Please attend our stated meetings and your club or unit meetings. We, as a divan, will work to make the stated meeting informative and assist the clubs and units toward making Mizpah membership have purpose.

Frugal use of funds

Our new home came about in great part due to the high cost of operation, the extremely high cost of utilities and building maintenance being the biggest factors.

Your help with keeping the room temperatures turned down and the doors closed when not in use will help in this area. Building maintenance will be less, simply from the fact everything is new with most having warranties in the event of problems.

Membership

The sign that hung in the stairway at Berry Street still has meaning: "One to replace and one to grow" should continue to be our motto. We cannot accomplish our philanthropic endeavors of our hospitals, transportation, club and unit participation without qualifying and creating new members. This is a matter of the utmost importance to the continued success of Mizpah Shrine as well as Shrine International.

Our Spring Ceremonial will be April 19th. Your help is needed to find and attract qualified candidates. The time is now. Talk to your lodge brothers; engage those who you feel would make a good Shrine member. Let them know what we have to offer and, most importantly, follow up.

Please remember to attend February's Stated Meeting on February 5th. Dinner catered by Goeglein's served at 6:15pm with the meeting starting at 7pm

Hospital Unit

I think everyone present at our Officer Installation and open house was very impressed with our new Shrine Home. It was a nice evening and it was great to see a good turn out.

Congratulations to our new Potentate Steve Cowan and his Divan; we all wish them a successful year as they lead our Shrine in 2014.

Our Hospital Unit had our officers installed by Chief Rabban Gary Soblotne, at our Christmas Dinner Meeting at Don Halls Guest House Restaurant. President Jerry Willman, Vice President Vern Neel, Treas. James Kyler, and Sec. Dick Kessie.

On Sat. Jan 4 we had a Driver training meeting and many of our drivers took advantage of that session to become certified to drive our vans to the Hospitals. However if you still need to get trained let the Shrine office know so another session will be scheduled for those who missed this class. You may contact Judy Klemm at 260-426-4543

Dick Kessie, Sec.

Khyber Gun Club

Greetings Shooters,

Spring is just around the corner so get your pieces out and oiled up for the 2014 season. I assume that we will again have the third (3) Tuesday night trap shoot (April thru November) at the horse patrol grounds. You do not have to wait in line for a position. All Shriners and friends are welcome to attend and break a few (some more and some less) birds. The talk is worth the trip.

Loaner guns and reasonable priced ammo is available.

Thanks to all KHYBERS that worked the circus to make it a success. It could not happen with out all the members pitching in and helping.

The next meeting is February 25th in the Cabiri room of the new center. Eats will be from the Lounge, what ever they serve. Fellowship starts at 6:00 in the lounge with the meeting at 7:00.

Fraternally, Jim Crawford, Secretary

Mizpah Vettes

I wasn't going to write an article for the February issue of the ALLAH BI, however as I set here and jot down a few thoughts, I'm probably like everyone else, that is driveways full of snow and temperature well below zero. So I can't get out and I don't feel like braving the cold to blow snow, so might as well try and write something.

By the time you read this, January activities for Mizpah will be over, but what an exciting month it was in the history of our Mizpah Shrine. First our Center was relocated to our new Memorial Way location and had as the first official function the installation of the 2014 Divan and Officers followed by an open house for members and guests to tour the new facility. It will take a little time for the members to get acclimated to the new facility and work through the challenges of adapting to the differences associated with a new structure (anyone who has ever built a new home can relate to this), however, in a short period all will be well and the Nobles of Mizpah can point to their beautiful new home with pride. Barring any unforeseen problems, January will have seen the main fund raiser for Mizpah, The Shrine Circus, and once again the Circus will have treated students in northeast Indiana to a fun filled day at the Circus as well as the general public that turns out to enjoy the different performances.

The Mizpah Vettes will have held their January meeting in the new Center and discussed several fund raising activities as well as their involvement in possible parades and activities for the coming year. 2014 promises to be an exciting and event full year for the Vettes membership.

That's it for now, until next time, keep those Vettes a shining.

Our November meeting was held at; Cork & Cleaver Restaurant, on November 20, 2014. Our ladies were included. We were celebrating Christmas early because some snowbirds were leaving for Florida at the end of November.

In attendance were; Mr & Mrs Bob Coe, Greg Colleli, Mr & Mrs Jim Wolf, Mr & Mrs Dale Dolby, Bob Harrold, Mr & Mrs Bill Phillips, Mr & Mrs Archie James, Mr & Mrs Bruce Bone, and Mr & Mrs Chuck Sheets.

We had cocktails, an excellent meal, and very good fellowship.

Our December meeting was held at; Rudy's place.

In attendance were; "Honest" Bob Coe, Greg Colleli, Bill Phillips, Bob Harrold, and Dale Dolby.

Alcohol and food were consumed, BS was expelled at great lengths, and euchre was played (in modified fashion). There was so much confusion that we don't know who won or if anybody won. We had fun though.

Class Directors

Dear Nobles,

We have had our first event at our new building and it was wonderful. The building looks great. Thanks to Jim Lobsiger and Ben Kapp for all their hard work. Our room is shaping up thanks to nobles Don Williams and his wife Sharon, and Jerry Willman is getting our storage closet in shape with custom shelves for the drums. Don and Sharon spent an afternoon cleaning off the tables in the room as well as the chairs, they look brand new.

As you read this the Circus is over so now we can start thinking about the golf outing. We would like 50 sponsors and 50 teams for this year at Garrett Country Club on May 31st. The cost is \$240 per team or \$60 per person. The hole sponsors are \$100 per sign. We can get this done if we start now guys!

We also have an opportunity here now to sell our hats that have the front of the new building on them, we need to start selling those now while the spotlight is on the new building.

Let's Go Nobles!

Whitley Co Giant Fez

The Whitley County Shrine Club begins the year with a full slate of officers. This is the first time in a few years that we have been able to say that. Speaking on behalf of the club, I would like to thank Noble Bill Auer and Noble Carl Brown for stepping forward and assuming the two open officer positions.

President Brian Kyler would like to thank everyone for their support in bringing the 5th graders to the Circus and also for volunteering to work the Circus this year. Special thanks go to Noble Dick Kessie and Noble Joe Simon. Dick made sure that 5th graders all received a Circus book and Joe ensured that transportation to and from the Circus went smoothly.

The Thursday, February 27th meeting of the WCSC will be held at the Mizpah Horse Grounds in Columbia City. Meeting will begin at 6:00 pm and dinner will be catered in by Jill Daniel. This will be a regular monthly meeting for the Club. Last year it was decided that the February meeting would no longer be special and guests would not be in attendance.

A date for the Swiss Steak Supper has not been determined. More information will be forthcoming.

Bagpipers

The Bagpipers are hopeful that everyone is surviving the messy, snowing and COLD winter that we have endured so far this 2014. With a lot of our members living outside of Fort Wayne, practice has been difficult. We have managed to get some practice in and enjoyed playing at the circus.

We are now officially in the new Mizpah Shrine building on Memorial Way. Thanks to everyone who made this happen. It is a beautiful facility and should help us help children for decades to come.

Just a reminder to every bagpiper that we practice on Wednesday evening from 7 to 8 PM, with a short meeting following. And to the nobility, we always have room for one more piper or drummer. Our next event will be St. Patrick's Day, which this year I believe is on March 17, 2014. If you have any interest in playing the pipes, I can be reached at 260-740-1070.

Last month in this space I asked how many notes can the bagpipe play? The answer is 9. The notes start on G and end on A. This month's question is how many tenor drones does the bagpipe have? Answer in next month's Allah Bi.

Bagpipe President

Clowns

Dear Smile Buddies,

Sorry that I missed the last (January) issue... things got busy at the beginning of December and I am afraid that I got confused (silly clown!).

We had the Shrine Children Christmas Party on Saturday, December 7 (Fuzzy, Klem, Flatfoot and Sambo dressed out as clowns), the Kosciusko Shrine Club Children's Christmas Wednesday, December 11 (Smirky, Inky-D and Gus participated) and the Shrine elections (Putz is now Oriental Guide and has to be quiet for a year... I wonder if that applies to our meetings as well).

At the end of November, we elected the new officers (Sambo-President, Fuzzy-Vice-President, Gus-Treasurer and Lucky Lewey-Secretary) and they were sworn in at the Clown Christmas Party on Sunday, December 8. For those of you that missed the party at Putz', you missed a good time and a lot of great food. Our thanks to Laurie for doing such an outstanding job.

We were notified in November that the TV for the Chicago Shrine Hospital was in and Stink-e sent them the check. The TV is impressive. It is a LG 47" Smart HDTV. They want us to come up to Chicago so that the can memorialize our donation in a group picture. We are planning this for some time after the Circus.

Speaking of the Circus, because of the non-cooperative weather in late December and early January, it was a challenge to get in work sessions and practices. Our thanks to Smirky for the materials, expertise and letting us use his barn. I hate to guess how the Circus went (since I am submitting this in early January), but I know that we had fun preparing for the skit and had some great camaraderie and interesting discussions.

Our hearts go out to Fuzzy and his family for a quick recovery for Fuzzy. We were all surprised when we found out that he had had a stroke. It is hard to imagine this active fireman and clown being a victim of this devastating event. We wish the family the best in his recovery endeavors.

Well, enough for now. Smile, entertain and "Bump a Nose"!

Joe "Lucky Lewey" Jenckes

Kosciusko SC

Despite the snow and frigid weather conditions, the Kosciusko Shrine Club met for Ladies Night on January 8th, 2014 at 7 pm. Noble Bill Hartman rustled up the help of the Sleepy Owl in Syracuse to provide delectable prime rib which despite limited turnout (more on that later) was consumed in large quantities. No one went hungry!

Outgoing President Mike Leedy noted that our Divan was a bit sparse that evening due to a stated meeting at the Temple. We guess that Potentate Cowan couldn't hold the first stated meeting a week earlier on January 1st because he was likely trying to control the temperature of one of his devices out in the shop. We forgive him for that...but we'll give him a hard time in any event because it's fun. Kosciusko Shriner of the Year was presented to Noble Richard (Doc) Carman who graciously participated in all our events. Noble Carman kept his remarks short but poignant and was roundly applauded.

So, installing the 2014 elected officers was Chief Rabban Gary Soblotne, serving as Potentate for the evening. The membership roundly supported his presence and that of his lovely Lady Lynn as well as the other member of the Divan, High Priest and Prophet Hal Harting accompanied in attendance by his lovely Lady Jenny. Installed as officers of the Kosciusko Shrine Club were Noble Grant Cunningham as President, Noble Tony Ciriello as Vice President, and Jerry Aylor remaining as Treasurer.

The gavel was handed by Mike Leedy to incoming President Cunningham who thanked the members in attendance for their support, reminded them of his youth (hence his lack of life experience in comparison), and requested continued input and support from those who came before him. President Cunningham also reinstated the tradition of fining (shaking down) the members in the name of charity asking Nobles Bill Warren and John Bonner to work the crowd. While President Cunningham made himself an easy target by forgetting his fez, he likely didn't expect how efficient Nobles Warren and Bonner could be. While much mirth could be heard, it remains to be seen if the process can be repeated for stated meetings.

Representing the Divan Ladies, Jenny Harting thanked the membership for their \$500 donation to support gifts for the hospital. Many many gift baskets were able to be compiled as a result of the donation helping to keep the focus on helping the kids!

We look forward to a prosperous 2014 and remain focused on our mission!

Howdy Kinfolk and Flatlanders

On behalf of the Hillbilly club, we hope that everyone is surviving this winter. Unfortunately for us, the weather played havoc with our Christmas party in December, and really hurt our turnout. However, we had a strong 28 members show up and had a great time. A special thank you to Kuzzins Denny DeWitt and Lori Tupper for hosting us. On January 11th, 2014, we held our monthly meeting at the new Imperial room in our new Shrine Building on Memorial Way. What a beautiful facility, and a good time was had by all.

Our next gathering will be on February 8th, 2014 at the Shrine Horse Patrol in Columbia City, IN. If you have any interest in joining our club, that would be a great night to come. Just show up around 6:00 PM with whatever you want to drink that night, and we'll take care of the rest. Feed you some really good vittles, and if you want to bring along your best dish to share, that would be good also. We will be having an initiation that night. If you have any questions, feel free to call me at 260-740-1070.

We also want to thank our past Ma & Pa, Bill and Laura Auer for their willingness to lead us for the last 2 years. They did an excellent job for us, so a big "yeehaw" to Bill and Laura.

Antique Power Club

Happy New Year to all. 2014 is unbelievable! Crazy cold! Great start to the year.

We once again want to thank Larry and Connie Brown for their tenure as President 2013. Well done Larry and Connie!

Welcome to the new officers for 2014. All were sworn in at the Antique Power Christmas Party hosted by Denny and Lori Dewitt. Thanks Denny and Lori for being such great hosts. Everybody had a great time.

Also thanks to all for all the great raffle prizes provided at this year's Christmas Party. Next year I will definitely bring the pickup.

We had a fabulous turn out for the Tractor Show and thanks to John Brandon and all who volunteered. We sold a ton of raffle tickets for the APC Raffle. We got a great prize this year, a new, shiny, Henry 44 Magnum Big Boy Rifle. Drawing will be held at the 2nd Annual Sportsman Raffle coming up in September. That looks to be a great event once again. This all helps support and fund the Children's Hospitals, so let's dig in and sell those tickets.

Coming up is the Mizpah Circus and APC will be deeply involved again. So we will look for all y'all there. Contact Paul Lopshire to fill a slot or two, no one will turned away.

Coming up in February, Saturday the 1st, The Whitley County Ag Museum and 4-H Center is holding their "Winter Crank-UP"! The event is a pot luck dinner starting at noon. Bring a favorite dish; coffee will be furnished. Free will donations will be for building cost, meat and supplies. Bring a table display, an engine, or how about a tractor (we got any of those kicking around anywhere?) for display. Sounds like a blast. Contact Steve Maxwell for details.

Don't forget stated APC Meetings are the 4th Monday at the Shrine Center @ 1800 sharp.

Up date of past events include a very nice Christmas Party. Due to some bad weather, we had a few Couch Huggers that didn't make it and we did miss not having the Chanters sing Carols to get us all in the right mood. Chairman Ellis Ryan PP did fill in with a DJ, who's nice efforts kept anyone from complaining. After a very nice meal, HP&P Jerry Freewalt (now Asst. Rabban) installed all the 2014 Officers. New President: Jeff Wooley awarded and thanked Past Pres: Bob Coe for a great 2013 and hoped he to repeat for this year. A few wet spots on his brow might indicate some special concern after getting ramroded in to his office, but no worry Jeff, Ed and John has Blue Cans for you. Auctioneer John V did his thing and got rid of all the treasures for a nice check to the Hospital for the Kids. New Pres. Jeff then thanked his Lady Terri and all the Ladies who set up and decorated, and Chairman Ellis and Lady Pat for a great party and we then moved to the bar to congratulate him on a nice job.

Jan. meeting had to be cancel because of weather that left about 12" of snow and several members being out of area. To replace it Pres. Jeff planned a LNO at the club house to include a short meeting to take care of some necessary planing to get the year started, then enjoy some Pizza, Ucher, and the camaraderie of each other. Feb. LNO is one of the dates to discuss, looks like the 15th or 22th so attend the Feb. meeting to help choose your location.

Bill and Margert will treat us to some fix'n to enjoy and maybe Trip-a - long Coe will pleasure us with some Ucher tricks. We also have a lot of important business and need all envoled. See you there and I hope no snow shovels will be needed.

Happy and clear trails ~

Daughters of the Nile

Ladies of the Household,

Here's hoping everyone made it thru all the snow we had in January. I sure hope February is not quite so cold and snowy however, it was beautiful looking out at all that pure white snow. Everything looked so clean and fresh. Shoveling and digging out was not so beautiful, but we have to take the bad with the good or so they tell me!

Just think SPRING!!!!

It was wonderful having our first meeting of the year in the new Mizpah Temple. What a beautiful facility and all on one floor – no more steps.

February 12, 2014 is our next meeting and we will have our first Ceremonial of the year. We will be bringing in some new Princesses. Please make all the new Princesses feel welcome and show them the Nile love we share.

March 12, 2014 will be our election of officers and it is my sincere hope that all members who are able will attend this important meeting. This will also be our Memorial Service for the members who have passed away this year.

Traditionally we think of February as the month of love so I am wishing you a year filled with the love of family and friends.

Sparkles of Nile Love,
Queen Karen Rothgeb

Scottish Rite

“Where the journey IS the destination”

The Fort Wayne Scottish Rite has been working very hard this past year to continue to add enjoyable events to our calendar. Activities intended to generate some excitement and improve upon the Scottish Rite journey each of us have begun. When we think of the term “journey” we often think of it in terms of an origin, time spent traveling, and a destination. Have you ever gone on a lengthy road trip? Oftentimes the preparation and travel are the most exciting. Reaching the destination is great, but in that span of time that we travel we are able to grow closer to our traveling companions, enjoy the scenery, share stories on life, and let the worries of the world pass us by for a while.

It is interesting that the Scottish Rite, and our beloved Fraternity, are very similar in this regard. We know that life has a beginning, a time to travel, and a final destination. How often we get tied up in the thought that we need to rush to reach our destination in so many aspects of our lives. So much so that the journey is a blur and we are left to wonder where all the time went in between. This is what makes our Rite so special to so many people. We seek to build friendship and Brotherhood and provide an environment so that each of us may enjoy this grand journey together. Imagine a place *where the journey IS the destination*. That is where you will find us.

Sincerely & Fraternaly,
J. Brian McNaughton, 33°
Executive Secretary
Fort Wayne Scottish Rite

This year's Ladies project will honor the love we have for the children we serve everyday in our 22 Temples of Mercy. You will continue to have the opportunity to add custom beads to your bracelet that represent important moments from throughout the year. The first bead is a heart dangle that reflects the love we have for our kids and that propels us to do all that we do. Our love for the kids is the foundation for our hospitals.

The 100 Million Dollar Club

Since 1922, Shriners Hospitals for Children® has provided lifesaving and life-changing medical care to children. The money to provide these needed services comes from many sources: community donations; fundraising events; investment income; and support from the Shriners International fraternity.

As health care costs increase, Shriners Hospitals for Children® needs your help, more than ever, to continue to provide specialized care, offer medical education and conduct more research. Too many people believe that if they cannot donate or leave a large sum or money, their gift will not count. Every contribution helps. In order to encourage donors to contribute to Shriners Hospitals for Children®, the 100 Million Dollar Club was established in 1972. The club is named for its goal of adding \$100 million to the endowment fund through gifts or bequests of \$100 or more.

How to join

There are three ways to become a member of the 100 Million Dollar Club: (1) By contributing \$100 or more to Shriners Hospitals for Children®; (2) By having your will include a bequest of \$100 or more to Shriners Hospitals for Children®; or (3) By adding a provision to an existing will leaving \$100 or more to Shriners Hospitals for Children®. Shriners, please send your contribution to your local Shrine Temple Recorder.

What you receive

Each donor receives a handsome 100 Million Dollar Club certificate. By contributing \$100, you can feel like a million, knowing that you have helped to ensure that Shriners Hospitals for Children® will be able to continue helping children in the years to come
