#### PROCEDURE FOR ADMISSION TO A SHRINERS BURN HOSPITAL

Admission to a Shriners Burn Hospital is essentially the same as to a Shriners Hospital for Children. Here, however, it must be stressed that timing may be of utmost importance. The final outcome of a burn case may be greatly dependent upon the type of treatment and the speed with which it can be started. Therefore in emergency, the Chief Surgeon has the authority to admit the patient, having the application completed at a later date. If then you know of an emergency burn case, immediately call the Shine Ambassador in the area. Let's not miss a chance to put out a helping hand. Be a true Shriner!

# Potentate's Message

Hi Nobles,

Another year has rolled by and 2017 is upon us. The Mizpah Divan and each of their Ladies would like to thank each and every one of you for your vote of confidence that we will lead Mizpah throughout the upcoming year.

Many of you attended the election of officers on December 2nd. We also had the public installation of officers on Friday, December 30th at 7:00 p.m. Thank you for your support in attending that event!

Our two major goals for 2017 are:

- Increase membership by bringing many brother masons to Mizpah and showing them what we do for our Shriner kids through our great philanthropy – Shriners Hospitals for Children, as well as having fun participating in the many clubs and units on the fraternal side of our organization.
- Welcome back to the Shrine fellow brother masons that have demitted or have dropped out of the Shrine for some reason. We miss those that have decided to leave our wonderful fraternity and would value their expertise in helping guide us into the future.

If you know a former shriner that has left the fold, encourage them in a brotherly way to return to shrinedom. Please contact a Divan member, the Temple Recorder or someone on the Membership Committee to see what we can do to help.

Our Shrine Circus is right around the corner. Tickets for the circus are on sale now and can be purchased either at the Shrine Circus ticket office located at the Shrine Center or online by signing onto [www.mizpahshrinecircus.com/tickets](http://www.mizpahshrinecircus.com/tickets). Please remember to use the coupons each of us receive for the Circus to help defray the cost of bringing the 3rd graders to the Shrine Circus performances during circus week!

In closing, we again would like to thank each and every Mizpah Shriner for the chance you have given your new Divan to guide and lead Mizpah Shrine to a great year. We will NOT let you down!

In the Faith,

*Hal Harting  
Potentate*

# Office News

If you have not received your 2017 dues notice in the mail from Tampa, contact the local Mizpah office at 260-426-4543 or email [recorder@mizpahshrine.com](mailto:recorder@mizpahshrine.com) so we can report that to Tampa and get you what is required. Remember, you are required to have a current dues card at all official Mizpah Shrine events.

## Fraternal Symbols

The fez is one of the most recognizable symbols of Shriners International and was adopted as the Shriners' official headgear in 1872. Named after the city of Fez, Morocco, the hat represented the Arabian theme the fraternity was founded on. It also serves as an outward symbol of one's membership in the fraternity. Much like the white apron worn by Masons as a symbol of their brotherhood, the fez is worn only by Shriners as a symbol of their membership in this unique fraternity.

Today the fez is worn at Shriners' functions, in parades and at outings as a way of gaining exposure for the fraternity. Members customize their fez to show their allegiance to their temple. Look closely at a fez and you will also learn other important information about its wearer, such as membership in Shrine clubs, special roles within the organization and much more. Each fez is custom made and a Shriner may own more than one fez depending on his activities and memberships.

The emblem on the front of the fez, the crescent and scimitar, is an important part of the fraternity's theme, and is representative of the characteristics embodied by the Shriners.

The scimitar stands for the backbone of the fraternity, its members.

The two claws are for the Shriners fraternity and its philanthropy.

The sphinx stands for the governing body of the Shriners.

The five-pointed star represents the thousands of children helped by the philanthropy each year.

The emblem also bears the phrase "Robur et Furor," which means "Strength and Fury."

This is the final article you will receive before our 2017 Mizpah Shrine Circus. The circus office has been running smoothly with a good turnout of volunteers. As always, it would be great to see more volunteers helping in the office. Also, be sure to pay for the coupons you received in the mail and give them to your local Shrine club, or return them to the circus office. When you pay for your tickets and return them to the office, you are helping the local school children attend the circus at no cost, so be sure to pay for those coupons and get them turned into the Circus Office.

Just as in years past, we could use your help volunteering at the circus fair (located in the basement of the Coliseum) held during the circus. This project is where the ladies are really valuable. The fair opens 1 hour before each performance and is open 1 hour after each performance. If you are a new noble in the Shrine, or have never helped before, this is a good place to start. When you arrive, proceed thru the entrance and continue towards the exhibition hall. You will see a set of curtains on your right and behind the curtains there will be a sign up sheet on one of the tables. There will be someone at the table who can assist you. Let the person know you are looking for Dave Bowman and he will guide you in the right direction.

Please be aware that the coliseum ushers, as well as the parking lot attendants are instructed to not let anyone in that does not have a ticket or a worker's pass. Each person needs a worker's pass and these worker's passes are only good for a noble and his lady. Family and friends cannot be admitted on a worker's pass and there are NO seats assigned to a workers pass for any performance. If you want a seat -for a performance, you will need to buy a ticket. If you have any questions, you can call the circus office at (260)422-7122 and ask for Anita.

Please, if you are coming to work the circus, do your best not to park directly in front of the doors. We need to keep those parking spots open for our customers. Try to park a few rows out wherever possible.

Thank you in advance for helping at your 2017 Shrine Circus. If you need more information on purchasing tickets or seating, please visit our web site at [www.mizpahshrinecircus.com](http://www.mizpahshrinecircus.com). Tell anyone that ask that they can go on line and look at seating and definitely buy tickets if they desire.

For those of you that are in charge of bringing kids from the schools you are invited to come to the transportation dinner and please bring whoever is in charge of transportation from that school with you. The date for that is January 9, 2017 at 6 pm in the Imperial Room at the Mizpah Shrine Center.

# Mizpah Hospital Unit News

Happy New Year to all!!! We hope you have a wonderful year! We are pleased to congratulate newly elected Potentate Hal Harting and the entire Divan. We wish you the very best this year. We also welcome our Hospital Unit officers for 2017: President - Tom Culler, Vice President - Phil Hoopingarner, Treasurer - Jim Kyler, Secretary - Doug Brouwer.

We would like to thank Applebee's on North Clinton for having a "Giving Tree" in December. They had a display about the hospitals and customers could take a tag from the tree with the name of a toy they would bring for a Shriner's Hospital patient. Thank you to Applebee's and to those so generous to bring gifts!!!

Are you seeking a fulfilling New Year's resolution? Here are some suggestions!!!

1. If you have not already done so, resolve to visit a Shrine Hospital this year. You can even ride along with one of our trips when we take a patient and family.
2. Join the Hospital Unit. Not a unit member?? You're invited to come to our next meeting to find out more about what the Hospital Unit does.
3. Come to the next Hospital Unit meeting: Wednesday, January 18, 7:00 pm at the Shrine Center.
4. Seriously consider becoming a hospital van driver. Please call one of our van schedulers from your county, listed in the Allah-Bi, for further details.
5. Drivers and prospective drivers: Attend van driver training Saturday, January 7, 9:00 am at the Mizpah Shrine Center.

The purpose of the Hospital Unit is to support the hospitals in any way we can. We are being called upon to do more to increase community awareness of our hospitals. We share information about the specialty care offered by our Shriners Hospitals for Children. A Hospital Unit member is not required to be a hospital van driver; nor, is a van driver required to be a member of the Hospital Unit. It has been said that one of the perks in being a part of the Hospital Unit is that we are on the front line, so to speak, in our involvement with our Shriners patients and their families. The Hospital Unit is always open for new members, even if you don't want to drive a van transporting patients to and from the hospitals.

Unit dues for 2016 are due. If you need more information, talk with any Hospital Unit member or contact our secretary, Doug Brouwer via phone at (260) 413-1537, e-mail [brouwerdr@aol.com](mailto:brouwerdr@aol.com), or better yet, just come to our next meeting, January 18. A portion of our dues money goes to support hospital programs.

Please consider becoming a hospital van driver to drive our patients and their dedicated parents to our Shriners Hospitals in Chicago or Cincinnati. You give a little time and it's hard to put into words how rewarding this is. There is always a need for more drivers. You drive when it fits your schedule. There is no requirement about how often you drive. We have great vans and gas is provided. You always have a partner driver. There's ample time for fellowship!

The only requirements to drive are:

- 1) Have a desire to be a part of the Shrine's mission to help the kids.
- 2) Have a driver's license; it does NOT have to be a CDL.
- 3) Attend one of our drivers training courses.
- 4) Fill out a health form confirming your ability to drive, if you are under 70. If you are over 70 it must be signed by your doctor. Mizpah will reimburse you if the doctor charges a fee.

Mizpah Driver Training  
Saturday, January 7th  
9-10am

First, a huge thank you to all of those who attended and helped support the Mizpah Childrens' Christmas on December 3rd, as we had about 150 children attend and enjoy the day with Santa, Indiana Wild, our artist and Jingle Belle. Our raffle was also beneficial and we will share that data at the January meeting on the 16th.

Remember, it's circus time, and that includes a long list of things that the leadership and nobility rely on us to do. Setup for the fair is on Wednesday, January 25th at 5pm at the Coliseum. Also, January is evening/ weekend sales at the circus office, and that is most of us, so get with Phil or Mike and volunteer so we can help make it the best one yet!

January's meeting will be the 'swearing in' of your 2017 officers, and as the humble president of Yoshi for the year, let me start the year with what I will end it with... thank you for everything you do to support the leadership and nobility of Mizpah! We are often looked to for the labor and muscle of the events, but we are never overlooked. Continue to represent our club, our nobility, and Mizpah well and we will continue to have an exceptional year and grow!

February will be a busy month planning the 'Yoshi Beer & Chips' event that we will hold on March 4th at the Imperial Room. We need volunteers to both help with setup and teardown, as well as games, planning and more. Interested parties should let us know in January so we can plan throughout February and be ready to go! Again, thank you in advance for helping!

Mug club participants should see Sean or Mike Dold to make sure you are updated to enjoy your mug benefits in 2017... if you drink beer at Mildred's it is worth the cost of renewal to enjoy more of what you savor in your mug...

Lastly, a huge thanks to Rod Cottrell, as well as past Yoshi presidents who have gone before myself to pave the way. I look forward to serving alongside all of you in 2017 as we continue to make Yoshi the hip, happenin' and most fun club to be!

Respectfully,  
Benjamin Kapp  
President

Greetings,

2016 proved to be a good year for the Radio Unit. We held a technician license class with 9 individuals in attendance. All passed their test and became licensed amateur radio operators. This helped our unit grow in number. Additionally, we purchased new VHF and UHF base radios for our ham shack and were able to make a nice contribution to the Building Maintenance Fund.

We plan to have an additional class this year and if you are interested in obtaining your ham license please let us know. Our meetings are the 3rd Tuesday at 6:30 with dinner in the bar preceding.

Secretary - Steve Haxby N9MEL

Did you know that the Mizpah Media Unit is the sole party responsible for all of the Tarzan Zerbini pictures that he uses every year? Last year, our unit took over 5500 pictures that you can enjoy on the temple website, as does the rest of the world, as Tarzan and his team uses them to advertise and showcase his production!

Also, we have a complete studio capacity to meet your club and unit needs for photos. Do you want to take formals of your group? Let us know! We can make it happen!

If you have a technical (IT, production or A/V) background or want to learn that or photography, we welcome you! Email us at [media@mizpahshrine.com](mailto:media@mizpahshrine.com) for more info!

KHYBER

Greetings Nobles,

The annual ladies night banquet and 2017 KHYBER GUN CLUB officer installation was held at The Tavern of Coventry with 19 members attending including the Potentate with 1 widow of a former member. A great fellowship time was enjoyed by all attendees.

Indoor hand gun shooting will be hosted at Freedom Firearms during January, February and March on the third Tuesday night. The intent is to get some handgun shooting for the interested shooters. Shooting will start at 7:00 and run about one hour. The cost will be about \$15 plus a one time \$5 registration fee. I will furnish bulls -eye targets. Khyber's, friends and any interested masons are welcome to join . For more info contact Jim Crawford at 489-0890.

Don't forget to support the circus by buying tickets, selling tickets, promoting and working the fair. Sit down jobs are available along with physical ones. Fellowship and a snack area is provided with all of the tasks.

Fraternally,  
Jim Crawford, Secretary

Dear Smile Buddies,

Well, it looks like the bad clown publicity has calmed down in time for us to get ready for the Circus!

We had a good turnout for November meeting and conducted our annual elections. Patches is our new President and Smiley (Vice President) Gus (Treasurer) Lucky Lewey (Secretary) will stay in their positions. Smiley brought some Hospital literature for us to hand out at events. The Hospital unit gave us some business cards for the hospital that have the conditions treated on the back. It is amazing all the work that the hospital does.

Our next meeting is before the circus. Sambo says that we will be doing the cannon routine (probably for the last time). This is a good skit and gets a number of the clowns involved. It is outstanding that these guys are willing to give up their time to be at every performance.

Since this is an article for both January and February, it is hard to project the future. I know that we plan to present a check from the unit at the Spring ceremonial. We had thought about doing it at the Fall ceremonial, but since that was a one day class, we didn't. As always, we are looking for a few good men to become a clown and make others smile.

Until next article, Smile and "bump a nose".

Dear Bagpipe Fans,

Well, we have been busy since the last Allah Bi article. We played at the November Stated Meeting, the Shrine Fish Fry and our Christmas Party. Both the Stated meeting and the Fish Fry went off well.

We had a good turnout at our Christmas party the Hall's Factory. They put us in a small room, but our pipes and drums let them know that we weren't forgotten.

We are dark now until January, when we start getting ready for the circus. It really makes you take notice and feel proud when you get to play to such a large crowd at the Coliseum.

Dick has us learning some new tunes for St Patrick's Day in March. This is always our busiest time and our best fund raiser.

Enough for now. Remember, if you want to join us and share in the fellowship, we give lessons on the pipes and we are always looking for drummers and pipers. Just talk to any of the members or show up on Wednesday night around 7:00 pm.
