**PROCEDURE FOR ADMISSION  
TO A SHRINERS BURN HOSPITAL**

Admission to a Shriners Burn Hospital is essentially the same as to a Shriners Hospital for Children. Here, however, it must be stressed that timing may be of utmost importance. The final outcome of a burn case may be greatly dependent upon the type of treatment and the speed with which it can be started. Therefore in emergency, the Chief Surgeon has the authority to admit the patient, having the application completed at a later date. If then you know of an emergency burn case, immediately call the Shine Ambassador in the area. Let's not miss a chance to put out a helping hand! Be a true Shriner!

# Potentate's Message

Nobles,  
March was busy for the Mizpah. The following events were very well attended: Yoshi Chips and Beer, Director's Staff Beer Tasting, Easter Bunny Party, and our Stated Meetings...WOW! I think the attendance has increased because the Divan has shown that we need you and want you to enjoy your Temple.

We hope you enjoyed the Fish Fry at the last Stated Meeting. We heard nothing but good comments and very few negatives. We'll improve and change the negative comments. When you see the Co-Chairman (Randy Krider and Ellis Ryan, PP) be sure to thank them.

April was also busy with a Screening Clinic at Cameron Hospital, which we now have four children referred to the Houston Hospital. We held the Spring Ceremonial with ten new members. Ben Kapp did an excellent job with the Second part of the Ceremonial. Introducing our new members individually and also informing them about our Units and Clubs. Each Unit and Club were given a chance to speak. Thanks to the Divan Ladies for the contribution of cookies, enjoyed by all. The next big event at the end on April is our Fish Fry, which has been chosen to be a Temple Fund Raiser. This was open to Nobles, Family and Friends of Nobles. We feel these Fish Fries are a new way for you to enjoy your Temple and to meet and greet new and old friends. This will another great way to show off your Temple.

**IMPORTANT MATTER:** Have you paid your dues? Our Recorder is concerned as to why we have so many that have not paid. If you have special circumstances, please call the Recorder and let us help. Bottom line is that we need you, please pay your dues. We want you to stay a part of the Family of Mizpah and **HATS OFF TO THE KIDS!!**

## Director Staff

Nobles and their families accepted the Directors Staff's invitation to the annual craft beer tasting March 18.

Marcus Hardiek again arranged the band and the beer, and got a little assistance with the food. The chicken wings and the beer were good, and in good supply. Noble Marcus was on hand from noon to after 10, buying, organizing, directing and dismantling.

Nobles in Directors Staff shirts finished setting up for the guests. Nobles and visitors sampled eight brews, shared conversation and enjoyed the music. Even as the band played its final number, the nobles of the Directors Staff began taking down tables, cleaning, and leaving the temple in good shape for the next occasion.

Shrine nobles welcomed the guests, and accepted Shrine applications from three guests.

It takes a lot of work to make something that big look so easy. Noble Marcus has been arranging details of this beer tasting for months, if not for the entire year since the previous tasting. Repetition also contributes to success. Directors Staff nobles knew when to bring in extra coolers for the occasion. Members remembered to keep their beer-serving licenses up to date.

As some nobles took tickets, others poured craft beer. As some nobles checked the food, others poured fresh ice into the coolers.

Guests from the community bought tickets or accepted tickets bought by nobles. Perhaps a dozen people got their first look at the temple. They also got a look at Shriners, recognizing them as members of their community, or even of their church. Shriners struck up conversations about mutual hobbies, and suggested that visitors not be strangers. One visitor, from a local media outlet, posed for a photo with the fez wearing, stuffed bear in the temple lobby. She posted the photo on Facebook. "Shriners are fun," she said.

Did the beer tasting fund-raiser turn a profit? We will look at the numbers.

Was the beer tasting a success as a social occasion? That's a separate question, with its own rather obvious answer.

The Directors Staff will make time for a little fun on Thursday, June 16. Members and family will watch the Fort Wayne TinCaps host the Bowling Green Hot Rods at Parkview Field. We're looking at the \$8 seats. It's a Thirsty Thursday, with post-game fireworks. Reserve seats with Jan VanZant or Garth Snow. Please do so by June 1.

## *Horse Patrol*

Springs here, but Old Man Winter just doesn't want to give up as I write this. Lets hope May treats us to some nice weather we are anxiously waiting for with pretty flowers all blooming and lots of mushrooms. Nice weather also brings that green stuff that requires our mowing detail "The Three Johns" VanVoorst, Brandon and Coleman to keep the grass trimmed nice. Ed Howard has the Sickafoose scars from the adding of drain tiles to the arena all smooth out and it looks like its helping with the water problem to let us have the Charity Horse Show June 18 and 19. We are busy asking for adds and sponsors for the Program Book to help make a good check to the hospital from the show. If you got missed and want to help call Chairman John VanVoorst 260-413-7861 to get included by the deadline of May 10.

April meeting Pres. Bill filled us up with good T-Bones before the meeting, then in the meeting we voted to order the new ceiling tiles and have the grid painted, and to install new panel lights as time allows to get some of our up-dates started. The Spring Fling was the next night and we had a very good full house, even with the road work making it hard to enter the drive, but a very good time was had by all.

Sure was good to see Bob Coe back on the mend, he made it with help to both the Fling and Thursday meeting thanks to chauffeur Ed Howard and son Scott on Friday, as he is still depending on his wheel chair.

April LNO was at Sleepy Owl host by Bob and Sue Dumford and Pres. Bill will host May LNO back to Brevins in Busco on May 28, 6:00 PM. The Good Friday Trail Ride was very cool 28 degrees when we started, but warmed up a little as we emptied our saddle bags. We rode the three hundred plus acres trails of The Bluffs near Camden, Michigan just north of Freemont, mostly all nice forest with lots of hills, a few small lakes with nice streams. But the weather was cool it didn't bother the frisky horses at all and they seemed to love just getting loosen up. The Bluffs is set up mostly just for Horse riding and camping and enjoying the OUT-DOORS.

I wasn't able to get much on "where are they now" report but hope to have some news next letter, so see you then.

Happy Trails

## *Bagpipers*

Dear Bagpipe Fans,

St Patrick's Day was GREAT! We were even on the front page of the Metro section of the Journal Gazette. It showed us leading the "Worlds Shortest Parade" at Dear Park.

Well, I'm so excited, I better back up and tell you the whole story.

We started out at the Venice Restaurant. It was crowded, but they loved us. We even had one of the customers follow us out so he could ask us to play at this daughter's college graduation party.

We next split into two groups, one group played at the Green Frog and the other group played at Hall's Gas House, downtown. Goose, Brad and I had a good time at the Green Frog and were happy to show off our skills as pipers and drummer. Dick, Greg, Bobby and Mark performed at the Gas House. It is nice to have the Gas House as an annual customer I guess they must like us....).

The band got back together to play at Club Soda. Greg ran us through our paces playing a whole bunch of tunes. Dick let us know how we performed.

Next, we played at Rudy's over by the baseball park. He has a nice set up and Denny and Lori (our faithful followers) were able to warm up by the fire pits. Ruddy had TVs set up and we had to drag Brad and Greg away from the last overtime in the Purdue game so that we could make it to our last gig.

After traveling across town to Wrigley Field Bar and Grill, we had to wait until half-time of the IU game so that we could play. They let us have center stage and we wowed them. The place was so packed that when we went to the other side of the bar to get refreshments, folks asked us to play for them there. It's great to be popular.

I would like to thank Mark for stepping forward to man the bass drum.

Well, enough for now. Remember, if you want to join us and share in the camaraderie, we give lessons on the pipes and we are always looking for drummers. Just talk to any of the members or show up on Wednesday night around 7:00 pm.

## Clowns

Dear Smile Buddies,

Spring is here and the clowns are rarin' and ready for another season!

Gus reported that the Easter with the Bunny was a success. He said that he and Smiley had a good time and the kids were excited. It was great that they were able to have the event at the Shrine Center.

We got a lot done at the scheduled March unit meeting. With the successful sale of the bus, we were able to give money to both the Transportation Unit and the Million Dollar club. We will miss the bus, but the cost of operations and the insurance was just more than we could handle.

As of this writing, we have not yet had a chance to participate in the Angola mini-clinic. I am sorry for my tirade about mini-clinics in the last article, but this is a subject that is near and dear to many of us clowns. Entertaining these kids and their families while they wait to see the doctor is an experience to be remembered. The kids and their families are anxious to be accepted into the Shrine Hospital program so that they can get the outstanding treatment that the Shriners make available to them at little or no cost. It is rewarding to us as well. These kids have taught me a lesson about overcoming pain and getting on with your life. The way they endure and carry on is commendable.

We are looking forward to parade season and hope to see you all there. Remember, this is the one time that many other people will see us in public.

## Hillbilly Clan #95

Howdy ya'all. –

We had us a great meetin' at the Shine Horse Patrol grounds, celebratin St. Patricks Day just 'a wee tad early'. Some of the cuzzins even did a little 'wearin of the green'. Just goes to show there's a bit Irish in every-one, every now and then. Jim and Irene Elrod cooked up some right tasty main vittles and plenty of cuzzins helped load up the tables with more fine fixins. Umm Umm Good eatin!

We decided we will be rafflin' off a campsite package, complete with tent, sleeping bags, camp stove, and more at the Sportsman's Raffle.

We initiated some new cuzzins into the clan too. We are glad to have Arlie and Lynda Elam join us. Greg and Julie Pelosi started out being hillbillies on the right foot. They won the 50/50 raffle that night.

Our next meetin is Saturday April 9 that's 6:00 pm at the Shrine Horse patrol grounds. Ma and Pa Smith are hostin'. We will not be havin a meetin' in May since the potentate's ball is the same night. Some of us will be busy dressin' up REAL fancy to go to the nicest shindig of the year. Whoa Doggies!

Keep smilin'ya all. Spring has sprung!.  
Pa and Ma Smith.

## Hospital Unit

President Tom Culler has many new ideas for the Hospital Unit this year. As we continue to discuss them, please join us at our next meeting, Wednesday, May 18, 6:30 at the Mizpah Shrine Center.

Hospital Screening Clinics Schedule:

Sat., May 7 – Harlan, 1- 3 pm, at the Amish School, Notes-tine& Ricker Roads

Sat., June 11 – Marion, 1- 3 pm

Sat., July 16 – Columbia City, 1- 3pm, Whitley County Parkview Hospital

Sat., Oct. 1 – Fort Wayne, 1 – 3pm, Parkview Hospital, North Campus

At the clinic, a doctor or nurse sees prospective patients and evaluates whether they qualify for treatment by Shriners Hospitals. They find out immediately if they qualify. There is no charge for this service.

Remember..... share what Shriners Hospitals have to offer with someone you know, with neighbors, your place of worship, your social organizations, with schools. You're initial contact may make the difference in a child's life!

Here are the medical situations that our hospitals can address to help patients. Keeping it handy helps us be prepared to show the many ways we help children.

- Burn injuries, rehabilitation and reconstruction
- Orthopedic conditions associated with cerebral palsy
- Cleft lip and palate
- Congenital or acquired facial deformities
- Spinal Cord Injuries
- Sports Injuries
- Diseases of the bones, joints, spine and muscles:

Scoliosis (curvature of the spine) and other spinal deformities; Spina bifida; Osteogenesis imperfecta (brittle bone disease); Limb length deficiencies; Club foot; Dislocated hips and other hip disorders; Legg-Calvé-Perthes disease; Juvenile idiopathic arthritis; Hand deformities and disorders; Dysplasia of the bones and joints

We are continuing to update our Hospital Unit member list. If we can help with your questions, please contact me: Doug Brouwer, 260-672-3072 or [brouwerdr@aol.com](mailto:brouwerdr@aol.com).

What a privilege and blessing to be a Shriner.....

## Mizmur Scooter Patrol

Nobles;

Some of you have missed good fun and great food with our ladies at our ladies night. We also had a card party hosted by Br Paul Fox and his lovely lady Carolyn great fun there. Come enjoy the next lady night with and I am sure that you will see what I mean.

For your information at our last meeting we had a motion to suspend our dues for the year 2016. We decided to start working on our scooters and trailer at our next meeting and start getting ready for the parade route. Br Larry has been working on our Parade schedule he has 13 parades there now with more to check on. We know that we will probably not make them all but we will sure be at the ones we can. Lets be careful and get out there and have some fun.

Thank you

So far the schedule looks like this:

May 7 is Dough Party

June 14 is setup in Busco.

June 15 to June 18 is Turtle Days

June 20 is setup in Columbia City

June 21 to June 25 is OSD

July 4 is Fireworks in Columbia City

The Dough Party will be held at the storage building on Airport Road. We plan on starting at 8 am. Due to the declining hours in the operation of the Elephant Ear Trailer, I will be reducing our inventory on flour and pop. With that in mind the preparation of our product should take about two hours.

The March monthly meeting resulted in the WCSC voting to purchase a small trailer for the storing and hauling of equipment to and from festivals and events. The hauling of equipment in the Elephant Ear Trailer or hanging out the back of Pick-up Trucks was not only a safety concern of the Club but it was also causing unnecessary damage to the trailer and other equipment we use for the operation. The trailer is an enclosed model which will eliminate the need to unload everything when an event is over. The less we have to handle the equipment the better off we are: (I think a lot of the Nobles know what I am talking about)

We all know what it takes to make this a successful year of Ears. Please help out President Bill Auer by taking the initiative to call and schedule yourself for a shift or two this year. Thanking you in advance for your support and thoughtfulness for the Whitley County Shrine Club.

Upcoming Dates:

> May 26- Monthly meeting

> No monthly meeting in June

# Daughters of the Nile

## Ladies of the Household

So many fun and exciting things are happening in Nile - I hope you are planning to join in on the fun! We had a wonderful Nile Birthday party in April, lots of fun and friends with a good game of Bunco to keep things lively. Thank you to my amazing committee for all of your help and planning to make this such a nice day for all!

In May, we will have our Mother's Day Brunch on May 14th, beginning at 10am. Meet us at the Botanical Gardens for a Brunch, then a stroll through the gardens. There will be a photographer available to take your picture - you with the special women in your life! It's going to be a nice relaxing morning before you head home to get ready for the Potentate's Ball that evening! Please contact Carroll Nichols with your reservations [cjnichols34@aol.com](mailto:cjnichols34@aol.com). \$15.00 per person includes your breakfast as well as entrance into the Gardens. You will also receive a picture to take home as a memory of your day. Please plan to join us!

We will be selling onions this year to help the Mizpah Shrine in their Transportation Fundraiser! The onions are expected to arrive the first week of May, so plan to get out there and sell those onions! Each bag sold is money to help get those children to the Shrine Hospital...what a wonderful cause!

Our first Bingo of the year is going to be May 19th - that's a Thursday night, beginning at 6pm. There will be refreshments and munchies - as well as lots of fun. Come on out and play Bingo with us! It's always a fun evening when we get together.

Supreme Session in Indianapolis is coming up quickly - are you getting excited?? Hopefully you have all your reservations made and you are ready to go! Even if you are not going for the entire week, you can come down for the weekend and watch the performances and Installation. Contact our Princess Recorder if you have any questions. This is an great opportunity to see all the other Temples while they are so close to us - if you are able to go, I encourage you to take the opportunity to drive to Indianapolis to attend Supreme.....it's an unforgettable experience!

I hope to see you at the May Stated Session - the last meeting of this season is May 11th. For my officers, there will be practices over the "dark season" as we prepare for the Supreme Queen visit in July, but this will be our last official meeting until next Fall. Please join us for dinner at 5pm in Mildred's Lounge before the meeting, which starts at 7pm. If anyone needs to contact me, you can call or text me at 260-519-2029. I look forward to seeing you all soon.

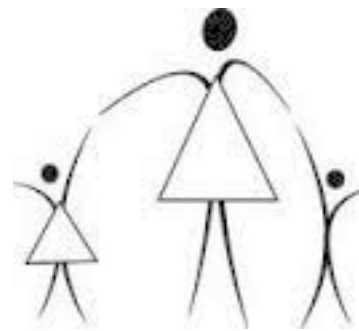

In Nile Love,  
Karen, Queen 2016

I've seen dreams that move the mountains  
Hope that doesn't ever end  
Even when the sky is falling  
I've seen miracles just happen  
Silent prayers get answered  
Broken hearts become brand new  
That's what faith can do

## ***Sportsman Raffle***

The 2016 Raffle tickets are in. Nobles can pick up tickets at the Circus office or by calling Steve Cowan at 260-740-2695.

Upon request a committee member will attend your monthly meeting. The Committee member will provide raffle tickets for distribution and answer questions concerning the details and procedures of this year's event. As in the past, we will have tickets available at Stated Meetings. Club and unit presidents will be given the procedure in mid May. They will be contacted by US Mail.

Remember to contact Steve Cowan at the number above to secure your club/unit raffle item. As in the past we will allow each unit to raffle an item of their choosing. To insure raffle prizes are not duplicated, please call or contact a Raffle committee member to get your prize on the list. The committee would like all prizes to have a sportsman's theme...

New easier to understand directions will be provided for club/unit accounting this year. Last year's accounting method proved to be cumbersome and did not provide the necessary information.

Include our state raffle number when printing tickets. The state raffle number is 139960 and the drawing date is September 17, 2016. This information must be included to allow us to be in compliance with Indiana Gaming regulations. The Grand Prize is a Sig Sauer 516 Custom. It will be available to use as a ticket selling tool in Mid May. The Gun needs to be signed out to an individual person's possession to safeguard its use.

The committee wishes to thank every Noble for their involvement with this year's event.
