**PROCEDURE FOR ADMISSION TO A
 SHRINERS BURN HOSPITAL**

Admission to a Shriners Burn Hospital is essentially the same as to a Shriners Hospital for Children. Here, however, it must be stressed that timing may be of utmost importance. The final outcome of a burn case may be greatly dependent upon the type of treatment and the speed with which it can be started. Therefore in emergency, the Chief Surgeon has the authority to admit the patient, having the application completed at a later date. If then you know of an emergency burn case, immediately call the Shine Ambassador in the area. Let's not miss a chance to put out a helping hand. Be a true Shriner!

Potentate's Message

Fall is here and we look forward to the beauty of the changing season. But, not so much to the snow and shoveling which cannot be far behind.

September saw what, was hopefully, a successful Sportsman's Raffle. Thanks to Ill. Sir Steve Cowan, his committees and to all of you who volunteered to make this such a great event. Details will follow as to the degree of success.

Although there was nothing on the Call we sent our voting delegates to GLSA in Perrysburg, Ohio. Several units then traveled over to parade on Saturday. Thanks for your dedication.

The Circus Kick Off reminds us that the Circus is not that far off. Start selling those ads and lining up help to volunteer. As you know this single event supports most of our budget for operating the Temple so we need continued success. Start praying now for favorable weather.

With only three months left in the year there is still much to do.

First, on October 13th is the Drivers Appreciation Dinner. Be sure to RSVP to the Temple Office. Wives are invited.

Second, on October 31st is our Temple Ball. Get your RSVP in. Come dressed to represent your favorite "Decade". Of course Tuxedo or Dark Suit is acceptable. It promises to be a great night.

Then on November 7th is our Fall Ceremonial. As of this writing we have NO candidates. It's not too late. Get those petitions in. Let's make this one of Mizpah's best years for Creations.

All of us came to the Shrine for varying reasons. It doesn't really matter what the reason was so long as we all remember the most important reason for staying here and sharing what the Shrine is to other Worthy Brothers. That reason is a network of 22 Shrine Hospitals that provide the best orthopedic, spinal cord, cranial facial and burn care to children throughout the northern hemisphere without regard for their ability to pay.

Finally, on December 4th will be our annual election of officers. The future of Mizpah will be in the hands of the men you elect that night. The next years are going to be difficult due to declining membership, among other things. We have a long and well respected history and our temple deserves nothing but the best leadership available. Just maybe that Leader is YOU.

If you think you might have what it takes, contact Ill Sir John Hall and make arrangements to meet with the Leadership Development/Search Committee to discuss what your commitment would mean.

Come Home to Mizpah

G W Soblotne, Potentate

Recorder's Message

Greetings Nobles

It's hard to believe that this year is about over and soon the snow will be falling.

The Fly In Breakfast was a good success, thanks to all the Nobles and Ladies. A report will be given at the October Stated Meeting.

The Sportsmen's Raffle was a great success thanks to Ill. Sir Steve Cowan and his committee and all the Nobles who worked the week of the event, and all the Nobles who sold tickets. We should have a report at the November Stated Meeting. I can tell you we had over 2,900 attend the event.

Nobles, we need to start working hard on Membership for 2016. Retention should be our Number ONE priority. We take in 10 members and lose 20 out the back door. If we keep doing the same old thing as in the past regarding membership, we will keep getting the same results. It's time we get the young Nobles working on membership and leading membership committee.

Nobles, life was good when there was 10,000 Shriners, but as time passes we are down below 2,000 Shriners and with the loss of membership we need to change the way we do business at Mizpah.

On a better note, I would like to thank all the Nobles and Ladies for standing beside me and working for a brighter tomorrow for Mizpah.

God Bless,
Ellis Ryan, PP, MSA
Recorder

Shriners Hospitals
for Children®

Dear Supporter,

As kids pack their bags for school, they are also gearing up for fall sports! Kicking, running, and laughing on the field and in the gym, kids play without a care in the world.

And to keep kids safe and injury free, Shriners Hospitals for Children® encourages parents to remind all boys and girls to follow these tips when on or off the field.

1. Make sure there's proper adult supervision
2. Play by the rules
3. Always wear appropriate clothes, shoes, and safety gear
4. Learn proper techniques for movements used in different games
5. Check that playing fields are properly maintained
6. Make sure equipment meets safety standards

Please share this message with friends and family members who are parents, grandparents, or caretakers, so that children they love will remain safe while playing this fall.

If an injury does occur, Shriners Hospitals can help. In the mid-1980s, we established the first spinal cord injury rehabilitation programs specifically designed for children and teenagers. Today, we are recognized worldwide as a leader in pediatric spinal cord injury rehabilitation and management.

To learn more about the treatments available, visit ShrinersHospitalsforChildren.org. To make an appointment, please call 800-237-5055.

Thank you for your support!
Sincerely,
Jerry G. Gantt
Chairman, Board of Directors
Shriners Hospitals for Children®

Unit News

Band

Bandsmen be sure to mark your calendars for our last parade of the 2015 season. It will be on October 26 in Decatur IN. (more info later) The "new" band trailer (the refurbished Legion of Honor trailer) is just the right size for our purposes. The turnouts for the 2015 parades has been really good. The fly-In was a great event in regards to band members turning out. Rehearsals could have been somewhat better but of course summertime is a busy time for all. We wish our "snowbirds" safe travel as they head south for the winter and hope upon their return they will again support Mizpah with their participation. Best wishes to all as the holiday season will soon be upon us. Be safe and keep well.

Khyber Gun Club

Greetings Nobles

The weather finally cooperated and we were able to hold a trap shoot in July and August The wind was even reasonable. Come out and shoot on the third (3) Tuesday of the warm months, loaner guns and ammo is available at a reasonable cost.

A big thanks to all the Khybers that worked the Great Gun Raffle.

Mark your calendars for the annual ladies night and 2016 officer installation to be held at the Tavern of Coventry on November 24. Our annual election will be held at the October meeting.

The next KHYBER meeting and election will be October 27 in the Shrine Center lounge at 7:00. Eating and fellowship starts at 6:00 including eats from the lounge menu and moving to the Cabiri room if required.

Fraternally
Jim Crawford, Secretary

Kosciusko Shrine Club

Greeting from Kosciusko County

The summer season is drawing to a close and our club wishes to thank and honor Noble Jay Shively and crew for the successful golf outing, Noble Roger Laird and the "Topless Club" for representing our club so well at the parades and Noble John Hall, PP, 33rd for a very enjoyable Family Outing to celebrate our 75th year at the beautiful Tess Farm.

The efforts of the fore mentioned Nobles and the membership that helped out, is the largest reason for 75 years of continued success.

While we a passing out the "Pat on the Backs" let us remember all those who helped at the Horse Show, Fly In Breakfast and Sportsman Raffle. This is another example how great things are done when great people come together.

Our Annual Turkey Shoot is October 10 & 11th at Beeson Gun Range. This fundraiser has grown from very humble beginnings to a major event for our club. Many thanks to Noble Donnie Smith, his Lady Bernie, Noble John Sadler, and our Executive Committee for putting this together. Any questions can be directed to Don Smith at 574-269-9865.

Illustrious Sir Gary and his Lady Lynn will be hosting the Potentate's Ball, October 31, look in the Allah-Bi for more info. After five years of being in the Divan they deserve our gratitude and respect.

It is not to soon to think about elections, we as members, who work so hard deserve the very best leadership available.

In regards of the upcoming Fall Ceremonial remember what Da Judge said, Shake Them Bushes, Find a Good Man, Make Him a Mason and Turn Him on to Shrine

Grasshopper

Unit News

Horse Patrol

As always events that have happen, but after news due date that we have to wait until next issue for reports on GLSA, Sportsman Raffle and Ploy Days.

Capt. John Van Voorst has planned a couple extra drill practices to fine tune our performance, which is looking good with only 4 horses. Remember in 2003 we took 4 horses to International in Denver and won our seven foot first place trophy. That proves a good job might be as good as lots of numbers. In 1975 we took 30 horses to Toronto, but have lost numbers ever since. So if any one wants to clime in the saddle they sure would be welcome.

Coming events will be our Fall Fling Nov. 6 and Decatur Parade Oct 26, very unusual for a parade that late, but the horses wont mind. Don't miss the Fall Fling, when you are offered a ticket don't hesitate as we always offer to past steady customers first and were having trouble getting tickets to a few right at the end. Hope to see you there enjoying a good time and great food.

We wish to welcome new member Trent Smith and Lady Shirley to the patrol. He joins son Justin who joined earlier this year. Both have assisted at the Horse Show many years. Trent operates a saw mill at 4911 E. ST. RD. 14, Columbia City, about 5 miles east of sr. rd. 9. Enjoy the nice hot weather with lite rain, it kind of let us get caught up on grass mowing and gives us some time for trails, so see you there if you can handle the bugs.

Happy Trails
Ray Giant

Hospital Unit

Another year is getting close to ending. It is getting time to reflect on 2015 and get ready to embark on a 2016.

First, reflections on 2015. We have had great participation from our corps of drivers transporting our children. We can still use more drivers. If you are able to give a little time to enjoy the company of these remarkable children and other dedicated Nobles, call one of the schedulers and find out how you can become more involved.

Current drivers are encouraged to attend the Driver Appreciation dinner at the temple on October 13. I am sure you will thoroughly appreciate Debbie's insight into Cincinnati as you were last year with Mary's insight into the Cleft Pallet program at Chicago last year.

Going into 2016, we need to get officers in place. Please let me know if you are willing to serve. We also need to find someone willing to "write this article".

See you at the dinner.

Unit News

Legion of Honor

Greetings Brothers,

First I would like to thank Nobles Paul Barker and Gil Smith for their unselfish service to the GLSA-LOH. Both have completed their "tours of duty". However, both will continue to serve the LOH in 2016 and I wish to express my gratitude to them both. Thank you Brothers.

I would also like to extend my congratulations to Noble Ron Buskirk for his election as Second Lt. Commander of the GLSA-LOH. I'm sure that we will all aid Ron in whatever way needed as he goes through the line.

It's time to start thinking about our Installation Banquet! This year our banquet will be at Don Hall's Guest House on Washington Center Road. The date is Saturday, December 5th. The cost will be twenty-five dollars per person, the same as last year. The menu and itinerary will follow.

Again I would ask that if you are not getting LOH emails from me please contact me with a good email address at JHSO3@msn.com. Thank you, I'd like to have this list completed and up to date before Gil is installed.

Lastly we do still have a few convention polo shirts available in large and extra large. They are VERY nice shirts, several of us have already bought two. They would make a very nice stocking stuffer for Christmas and remember the money goes to your LOH.

Respectfully,
Jim Olds
Commander

Together we'll go far

Bagpipers

Hello bagpipe fans!

We bagpipers have been busy practicing getting ready for our next planned event. That will be the Callithumpian parade in Decatur In. on October 26, 2015. Parade starts at 7:00 PM.

We recently played at the annual Mizpah Shrine fly in breakfast. Thank you to Joe, Dick, Bobby, Greg, Bryan, Brad, Lance and myself for participating. We had a great time.

Any Shrine member who may have a fleeting interest in becoming a piper is welcome to come join us. We practice on Wednesday evenings at 7:00 at the Shrine Temple. Just follow the sound to find us. We will help you get started with lessons. We'll throw in your first set of ear plugs for free. Don't be bashful and look us up.

Until next month.....

Unit News

Past Masters

Greetings Brothers,

Our Unit has been busy practicing the Rusty Nail degree and helping our brother with degree work. This is one of the most rewarding things that we get to do. It is such an enormous please to be able to help a Lodge with degree work. Fellowship with friends and making new friends each time. The camaraderie and mutual respect for each and every Brother is amazing. As a side note, all of these Lodges have really good meals as well. I do not know where all of these great cook come from. I am surprised that the Lodges are not full just for the sake of the meals provided.

If your Lodge needs some help with degree work or would like for us to present the Rusty Nail degree for you, please call Roger Beck at 765-661-2978 or myself at 260-416-8439 and we will do our best to assist you. We have a great deal of talent and knowledge at your disposal. We really do enjoy helping out.

Our next stated meeting will be November 25th at 7 PM. We will meet in the Mizpah Shrine lounge. We will have several topic to cover and maybe squeeze in another practice. We will also be presenting the Rusty Nail degree at the Shrine 's October stated meeting. We are doing this so that the brothers can witness this degree and hopefully go back to their receptive Lodges and promote this degree. It is our hope that getting some of the brothers back into your Lodges to witness this degree will rekindle their thirst for Masonic light. This idea was brought to us by our illustrious Potentate to present this for the Nobles. Let's have a great turn out to support him and this idea. Our fraternity starts in our Blue Lodges and continues through out the Scottish Rite, Shrine York Rite, Shrine and others.

We are wishing each end every one health and peace. Please continue to pray for our hospitals and our kids.

Fraternally,

Bob Boylan

Antique Power Club

Greetings Nobles:

Sportsman Raffle and Plow Day were both high visibility events for APC. We had so many Nobles pitch in and get the job done. Some attended both events. Everybody who helped out there made these events a great success for Mizpah Shrine APC as always. Special thanks to Tim Y who put in over-time, Bill A who made sure every spigot functioned full throttle. Also thanks to Randy and Bob K for all they do every year at this event.

Once again thanks to Steve and Beth Ann S for all they do to make Plow Day a special and memorable event. We were able to help three separate families who were in need with medical bills.

Last evening I noticed a little chill in the air... football has started... fall is coming just round the corner. Evidence is GLSA. GLSA was as always a great time for all who were able to attend this year. The Bluffton parade was a real treat. It was close quarters but everybody was able to maneuver and put on a good showing for APC.

Here is the last remaining Parade event for 2015: October 26 – COW Decatur ...Contact John B for details or get the facts at the next Stated Meeting.

Soon we will be setting the tables for the APC Christmas Party. Final details are coming together and reports from Leroy W say this will be a great time for everybody.

All of us at APC continue to wish you a great summer/ early fall. Drive carefully and BE SAFE.

Greg Bateman
Secretary APC

MIZPAH SHRINE SCREENING CLINIC

A Screening Clinic will be held to identify children who can benefit from the expert care provided at Shriner's Hospitals.

If you know of any children from birth to 18 years of age who have orthopedic or burn problems, bring them to the clinic for an evaluation to find out if they may be eligible for care.

I have always been thrilled with the turn out that we have received from all of you and your wives for the things we need done .It is tremendous and for that I thank you. We have lost some very faithful ticket sellers from our Circus office the last couple of years and really need to replace them. If you know of anyone that you think could be a good fit please have them contact us and we will talk to them.

Do not forget we have several important dates coming up. School counts and ads are 2 very important dates you need to remember. (NOVEMBER 11, 2015) is the most critical for the book ads. These ads are an easy way for you to make money for your clubs and unit and for us to raise funds for the Shrine Center. We are also asking you to please use the web site and go to staff login and type in the word Mizpah. You will get the calendar with dates and times that are important. For those of you who have questions about pictures or anything coloring book related email Ben Kapp at bjkapp@me.com or you can usually find him at any Shrine function you go to. If you need posters or any other information Anita is at the Circus office so you can stop by 1015 Memorial Way or call her at 260-422-7122.

When you get your coupons that Brook Targgart will be mailing out around Thanksgiving time please take a minute to send us a check with your coupons .You could also pay for them and give them to your county club to help send school kids to the Circus. Ticket prices will be a little different this year but your coupons have been adjusted accordingly.

For those of you that will be working in the circus office this year bring in a Shrine friend .Show him the fun and fellowship we have as we work together for one goal.

Please be thinking circus and be thinking about who you can bring along to help us in the circus fair. That part of the circus is very labor intense so the more people we have makes it less wearing on everyone and I know Dave will appreciate it .

Executive Circus Director 2015

17 Steven R. Trump

growing out of it...

Toeing in, flat feet, and knock-knees are very common in children. Sometimes, further evaluation is needed to make sure that there's no serious problem. However, most children grow out of these positional conditions without treatment. Remember, no question about your child's health is too trivial, so please discuss your concerns with your child's healthcare team.

1. Why do my baby's feet turn in?

Toeing in can come from the foot, the lower leg, or the hip. Each of these conditions has a different cause, and improves over time in almost all cases.

The most common causes are listed below:

Infants – Metatarsus Adductus (hooked forefoot)

Toddlers – Internal Tibial Torsion (twist in the tibia or "shin bone")

Preschoolers – Femoral Anteversion (twist in the thigh bone near the hip)

What is metatarsus adductus?

Metatarsus adductus is a turned-in position of the front of the foot in relation to the rest of the foot, and is the most common cause of intoeing in the infant. This condition can affect one or both feet.

- Usually a C-shape to the outside of the foot
- Sometimes an increased space between the big toe and the second toe
- Usually present at birth, and may be related to intrauterine positioning
- Treatment can include observation, stretching and/or serial casting

What is internal tibial torsion?

Internal tibial torsion is an inward twist of the tibia (shin bone) and is the most common cause of intoeing in the toddler. Although it is usually seen in both legs, one may appear worse than the other.

- With knee facing forward, the foot turns inward
- May be related to intrauterine positioning
- Usually lasts from about 3 to 24 months of age
- Normally resolves without any treatment by 2 years of age
- Treatment may include bracing, and rarely, surgery

What is femoral anteversion?

Femoral anteversion is an inward twisting of the top part of the femur (thigh bone) and is the most common cause of intoeing in preschoolers and school age children.

- When standing, both feet and knees turn inward
- Usually occurs in both legs, and is more common in girls
- Usually lasts from about 3 to 10 years of age
- Treatment is usually observation, and rarely, surgery

2. Why is my baby bowlegged?

Children's legs normally go through a period of being **bowlegged**, also known as genu varum. Orthopaedic evaluation is recommended if they are severe, get worse, develop after 5 years of age, involve only one leg, are in combination with severe intoeing, or if the child is very short.

- Symmetrical outward bowing of both knee joints
- Frequently present at birth
- Higher incidence in early ambulators and heavier children
- Improves spontaneously in 18 to 24 months

3. Why is my child knock-kneed?

Many children also go through a period of **knock-knees**, also known as genu valgum. Knock-knees spontaneously improve almost all of the time. Orthopaedic evaluation is recommended if they are severe, get worse, involve only one leg, if the child is very short, or has a history of injury to the knees.

- With knees together, open space between ankle joints
- Usually lasts from about 18 months to 3 or 4 years of age
- Mild knock-knee is normal in adults

4. Why are my child's feet flat?

In **flat feet**, also known as pes planus, there is a loss of the normal arches of the foot. Most flat feet are painless and cause no interference with growth or physical activities. Orthopaedic evaluation is recommended if the feet are painful or lack full motion.

- No space between floor and arch of the inside of the foot
- Often accompanies looseness in other joints, such as knees and elbows
- Normal in 25% of adults

5. Why does my child walk on their toes?

Toewalking is a condition in which the child walks on their toes without putting weight on the heel or any other part of the foot. It is common in toddlers, but if persistent beyond age 3 it is suspicious for an underlying neuromuscular problem.

- Usually lasts from about 3 to 24 months of age
- May resolve without any treatment but some children may require casting, bracing, and rarely, surgery
