### **PROCEDURE FOR ADMISSION TO A SHRINERS BURN HOSPITAL**

Admission to a Shriners Burn Hospital is essentially the same as to a Shriners Hospital for Children. Here, however, it must be stressed that timing may be of utmost importance. The final outcome of a burn case may be greatly dependent upon the type of treatment and the speed with which it can be started. Therefore in emergency, the Chief Surgeon has the authority to admit the patient, having the application completed at a later date. If then you know of an emergency burn case, immediately call the Shine Ambassador in the area. Let's not miss a chance to put out a helping hand. Be a true Shriner!

## NOBLES:

September was a very busy month.

- GLSA was held in Indianapolis with the Parade to be in Zionsville, Indiana. Several Units and Clubs from various Temples arrived to take part of in all the activities. However, due to the weather the Parade was rained out.
- The Sportsmen's Raffle was held on September 17th and was a huge success. Thanks to Steve Cowan and his crew.
- The 1st Chili Cook-Off was held on September 24th at the Horse Grounds and was attended by many who really enjoy cooking and eating the Chili. Thank You!
- Lastly the Fish Fry are getting bigger and better. There are two left for this year (October and November). If elected, Hal Harting has indicated that he will have continue the Fish/Tenderloin Fries. It has been a wonderful way for our Nobles and Friends to be together. And it gives all Nobles a chance to bring and promote friends to the Temple and thus they may become Shriners.

I will do my best to keep everyone updated on the events that will take place before the end of the year, through the Allah-Bi, postcards to the Units/Clubs President and/or Secretaries and by a Phone Blast. You can help, contact your Nobles friends asking them to attend a meeting or a social event. There will not be an Allah-Bi in November.

By the time you read this article we will have elected a new Recorder to finish out 2016. Congratulations to the new Recorder. Of course there will be another election in December for the 2017 Divan.

In another article in this Allah-Bi you will notice we have had a change in our Temple Office Staff. Good Luck Karen in your new venture. I want to be the first Noble of Mizpah to say "We are sad to see you leave, your service to the Children of the Shrine and the Mizpah Shrine have not gone unnoticed." Nobles stop in and welcome the new Recorder and new Staff member.

## UPCOMING EVENTS:

1. October 1, 2016 – Mini Clinic at Parkview Hospital on Dupont Road 1-3 pm
2. October 5, 2016 – Mizpah Stated Meeting (dinner @ 6:15 pm meeting 7:00 pm)
3. October 15, 2016–Potentate's Appreciation Party is to be held at Bill & Laura Auer's barn located at Keiser Road, Columbia City. It is an event sponsored by the Potentate of Mizpah with no cost to the Shriner. A band/dancing, food and beverages will be furnished. Come and enjoy the fun. Casual attire is requested. 7:00 pm
4. October 26, 2016 – The plans for an Angola Indiana bus trip has been cancelled. Thanks to everyone who showed an interest in this trip.
5. October 28, 2016 – Mizpah Fish Fry at the Temple beginning at 5:30 pm for drinks and social time, with dinner serving to beginning at 6:00 pm. Come enjoy the Fish and Tenderloin dinner being served. Nobles, Ladies, Friends and Children welcome.

With the election for a new Recorder, I feel it is necessary to mention a few facts to the Nobility. You might not have been aware that Past Potentate Ellis Ryan MSA, has assisted the past Recorder and the Divan since January 2016. A THANK YOU seems so little for so much service and assistance.

## Bagpipers

Dear Bagpipe Fans,  
With parade cancellations, etcetera, we have not been as busy as usual. We did have a GREAT showing at the Fly-in. Theresa Wade took some outstanding group pictures for us after the performance.

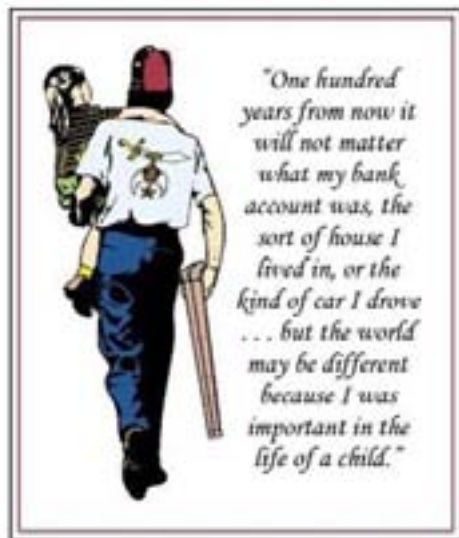

Things are slowing down since school started. We were graced with a beginning piper (Bob Vernon). He has been intensely practicing and making headway. It is good to have new life for the band.

Greg and Dick have kept us going and have even added some new songs ("Castle Dangerous" and "Wearing of the Green"). Greg also loves to go through the patriotic songs and the "Military Medley".

Scott seems to be doing much better after his operations and we are glad to have him back. He is planning to participate in the GLSA festivities. Brad is still doing outstanding on the snare drum (as well as being an active Shrine clown, he has now joined the Grill Masters). I sometimes wonder where he gets all the energy. Bobby is diligent in his effort to learn the tunes and can be counted on to be at the practices. Goose is showing up at more practices and events now that he is secure in his marriage and job. Mark is often in attendance with a smile and a positive attitude.

Well, enough for now. Remember, if you want to join us and share in the camaraderie, we give lessons on the pipes and we are always looking for drummers. Just talk to any of the members or show up on Wednesday night around 7:00 pm.

## Clowns

Dear Smile Buddies,

Only GLSA and one mini-clinic before the next article. Well it is that time of year when things start winding down. We did have an outstanding show of clowns for the Fly-in. Scotty, Smiley, Sambo and Patches were there with smiles and balloons. Sambo even started a new act with his puppet.

So far, Patches is the only clown that is committing to go to GLSA. We are hoping that he will bring us up to date when he gets back.

It was decided at the August meeting to go with the larger Clown tile for the entryway at the Shrine. It was suggested that we should go with a clown group picture, but since it is so hard to get everyone together for one (and we didn't want to leave anyone out, we decided to use the old Mizpah Clown Logo (Woodie) and label it as "Mizpah Clowns".

We have now updated our by laws so that the president, vice president, treasurer or secretary can run the monthly business meeting. In line with this, Smiley is our new vice president.

As always, we are looking for a few good men to become a clown and make others smile.

Until next article, Smile and "bump a nose".

## Mizpah Vettes

The month of October brings the end of Summer activities for the VETTE CLUB, as we look forward to the final parade, of the season, the Calithumpian at Decatur. This will be the 4th appearance of the VETTE CLUB in this parade and is one that is looked forward to by the club members and is one of the larger and well attended parades that we participate in.

This was the first year that the VETTE CLUB participated in the MIZPAH CAR CLUB SHOW in July and thoroughly enjoyed the day spent at Lawton Park. The CAR CLUB is to be congratulated on an excellent show with well over two hundred cars on display. Judging from comments of our members, the VETTE CLUB will include this in their schedule for another year.

The VETTE CLUB will hold their annual Christmas Party on Wed. December 14th at Hall's Guest House. This will see the installation of Club Officers that were elected at the November meeting for the 2017 year.

As late Fall and Winter approach, it brings to close another great year for the VETTE CLUB. We continued to add new members and events during the 2016 year, however it's a bit of a time of sadness also, as we realize it is time to put the Corvettes up for another year and start planning for 2017

Until next time,

Dee Byerly, President

### Navy Fact

In the heyday of sailing ships all war ships had iron cannons. Those cannons fired iron cannons balls. It was necessary to keep a good supply near the cannons. But how to prevent them from rolling about the deck. The best storage method devised was a square based pyramid with one ball on top resting on 4 resting on resting on 16. Thus, a supply of 30 cannons balls could be stocked in a small area right next to the cannon. There was only one problem..... how to prevent the bottom layer from rolling out from under the others. The solution a metal plate called a monkey with 16 round indentations. But if the plate was iron, theironballs would quickly rust to it. The solution to the rusting problem was to make "Brass Monkeys" A few landlubbers realized that brass contracts much faster that steel when chilled. Consequently, when the temperature dropped too far, the brass indentations would shrink so much the iron cannon balls would come right off the monkey. Thus it was quite literally, "cold enough to freeze the balls off a brass monkey"

## Hospital Unit

Greetings Nobles,  
From the Hospital Unit, we want to wish all of our nobles, families and friends a Happy Thanksgiving!

As we all pause to give thanks this Thanksgiving, we cannot say thank you enough to each and every noble for what you do in supporting our Shriner kids. Being a Shriner, and all that goes with it, means so much to the children of our Shriners Hospitals. There are so many, many examples of the reasons to say thanks to you. Even if you can't get around well, you are and always have been a part of giving "Love to the Rescue." Yes, nobles, deep in your heart, you are a part.

Our Shriner kids say thank you..... Look at the pictures you see. Look at their eyes. Look at their beautiful and joyful bodies. With every bit of their spirit, they say thank you... more than a thousand words could say.....

Wouldn't it be great if we could say that all of our nobles have made a visit to a Shriners Hospital???? Our van drivers travel to Chicago and Cincinnati hospitals regularly. You can ride along. Let us know. We'll help you.

Remember, we always need more drivers. Contact one of our Mizpah van schedulers listed in the Allah Bi. You might be surprised at the options you have to help out.

On October 13, for the first time, Mizpah will be a part of the Service Fair at the Annual Conference on Youth at the Allen County War Memorial Coliseum. This conference is sponsored by "Great Kids Make Great Communities" and the Allen Superior Court, Family Relations Division. We hope to provide information about Shriners Hospitals to the over 800 youth and family serving professionals who attend from northeast Indiana. Imagine how many children and families they have influence. Please pray for our success.

Remember to get the message out in every way you can. Shriners Hospitals for Children provide care beyond cost and are committed to providing the best care for the children of its specialty areas of orthopaedics, burn care, spinal cord injury, and cleft lip and palate, regardless of a family's ability to pay.

Upcoming dates:

Oct. 1 – Hospital screening clinic. 1 – 3pm,  
Parkview Hospital, North Campus  
Oct. 13 – Conference on Youth  
Oct. 16 – Hospital Unit Meeting  
Oct. 19 – Van Driver Appreciation Dinner  
Nov. 16 – Hospital Unit Meeting

Fraternally,  
Doug Brouwer, Hospital Unit Secretary

If I should die and leave you here a while,

## One last message.....

*I am moving onward to a new adventure but I am taking my friends with me in my heart - so this is not goodbye....however I wanted an opportunity to say THANK YOU!!! Thank you for all the friendship I have found over the years working at the Mizpah Shrine, all the support I have received, all the kindness I have been given. I am not leaving the Shriners - because so many of you are my family and I am very thankful for all I have with my Masonic family. I will continue to serve the Children as a Shriner Lady and as a Daughter of the Nile. I look forward to seeing all my friends as the various functions and events as we continue to help make the dreams of the children come true. **Karen***

## Circus

It is getting close to CIRCUS TIME again!! Time to start planning for the most exciting time of the year - are you ready?? We really need your help and depend on all of the Nobles and your ladies to show up and help out....we cannot do this without all of you. I am always pleased to see how many new faces come out to help and I know I can always depend on the "old-timers" to be there to help with whatever needs to be done. There is always something for everyone - so your help is needed and appreciated!!

Book ads are an important way for the clubs and units to make money and they really help us to raise money for the circus - so SELL SELL SELL!!! Ads are due back by NOVEMBER!!! This deadline is critical - so don't be late!! You can go to the Circus website for all the information you need - calendar, updates, contact information, etc. Please use the staff login and use Mizpah to get into the Noble site. If you need posters or any other information Anita is at the Circus office so you can stop by 1015 Memorial Way or call her at 260-422-7122.

Circus coupons will be mailed out around Thanksgiving - take a minute to send a check with your coupons. You could also pay for these and donate them to your county club - this would help send the school children to the Circus. If you could see the faces of the children at the circus, you would know that your payment has made a great difference....and thank you!

For those of you that will be working in the circus office this year bring in a Shrine friend .Show him the fun and fellowship we have as we work together for one goal.

Please be thinking circus and be thinking about who you can bring along to help us in the circus fair. That part of the circus is very labor intense so the more people we have makes it less wearing on everyone and I know Dave will appreciate it .

# Sportsman's Raffle

At the time of this writing the raffle is just over for 2016. It was a great day even though the rain tried to spoil the fun.

I would like to thank everyone who provided their support, willingness to assist with setup and teardown, attendance and most of all ticket sales.

For the poor weather we experienced the turnout was tremendous and everyone seemed to be enjoying the day.

The committee will provide the Nobility with a full accounting of the day's performance at the November Stated Meeting.

Again, thank you to all who provided their time to make the 2016 Sportsman's Raffle a success. Next year's Raffle date is planned for **September 9, 2017** so mark your calenders.

Sincerely,  
Steve Cowan and the Entire Raffle Committee

## *Daughters of the Nile*

### Ladies of the Household

It has been a wonderful summer! We have had some fun - spent some amazing time together and made many great memories. Thank you to all of you that came along for the fun! Whether you participated in an event, sent along a treat, mailed in a donation, or just thought good thoughts for us to have the wonderful weather we enjoyed...thank you! We all work together in whatever way we can to make our organization a fun place for all of us.

Now that summer is coming to an end, we are looking forward to another season of activities and new things for us to do. We begin right away in September with our first meeting of the fall on Wednesday, September 14th. Ladies - we are back! Stated sessions are the second Wednesday of the month and begin at 7pm in the Shrine Center. If you would like to join us for dinner before the meeting, we meet in Mildred's Lounge at 5pm (or as soon as you can come after work, etc) Meetings start promptly at 7pm - so please plan accordingly when you come for dinner.

The Sportsman Raffle was a great success with our ice cream sales!! Thank you to everyone who stepped up (again!) to do their part for Teti Sheri. Thanks to PQ Judy Klemm as the Chairman of this successful event. I think everyone had a wonderful time and some good ice cream! We also had a great success with the beef stick sales - JPQ Deb Boylan gets a thank-you for taking charge of getting additional funds for our Temple by selling these treats at the Raffle. Another way of everyone pitching in to do their part!

At our October meeting, we will be honoring our Supreme Appointees with our traditional banquet before the stated session. Dinner will be in the Imperial Room beginning at 5pm. Please RSVP to me by September 30th if you plan to attend so we have a dinner count. We will also be celebrating our Founders Day during that meeting, so plan to attend the stated session - it will be a fun and interesting evening. The dinner and Stated Session is Wednesday October 12th.

We will be having a Nile Pancake Breakfast on Saturday October 15th at the Leo Masonic Lodge - from 8am - 11am. If you have not tried Jerry Willman's Apple Walnut pancakes, you are in for a TREAT!! Invite your friends and family for a great breakfast for a good cause! Proceeds for the Teti Sheri Daughters of the Nile.

There will be another BINGO party in November....we have been having a great time playing Bingo! Come along and join us! We have been getting more and more people each time we get together...it is a great party with food, fun, and friends. Lots of prizes and laughs along the way - join us for Bingo! Thursday November 17th - hope to see all of you there!!

Looking forward to December, PQ Karen Rothgeb is organizing a Cookie Walk to take place on Saturday December 10th. Outside groups will be able to "rent" a table to sell their crafts or baked goods. Our own Teti Sheri ladies will be asked to bake cookies to have for sale for the "walkers". We will provide bags for the customers to buy and they can fill the bags with a variety of Christmas cookies. As they go walk around with their treats, they will get to shop the other tables. What a fun way for everyone to get in the Christmas spirit and make some extra money for their various groups. Contact Karen Rothgeb for more information to get involved!

I would like to thank everyone that has been a part of making this year so much fun...we are only half-way through and it has been such a joy to work with so many incredible woman. Every time I ask for help, I find friends that are willing to pitch in and join me on this journey. This has been such a learning experience and an incredibly fun adventure. I look forward to the remainder of the year and hope all of you are having as much fun as I am.

One final reminder - MEMBERSHIP is an important part of our obligation....we need to build our numbers if we want to keep growing. Have you told anyone about the Daughters of the Nile lately? Have you asked anyone to join us? We are looking for new members and want to make new friends. If you need a petition, just ask! We would like to have another Installation in November - the sooner they join, the sooner they can be part of the fun with us.

Life is not about weathering the storm, it is about learning to dance in the rain..
