Potentate's Message ...

Greeting Nobles,

As this is my last message as a potentate to you in the Allah Bi... please be humble for what we have. We have so much to be thankful for. This year with my budget cut real thin we still had a great time. Yes, we made it through the year with the help of corporate sponsors for our zoo day ... Fox contractors, Felgers Peat Moss, and Votaw Electric. We also have great memories to show for it. Time spent with friends is so priceless. Please don't surround yourself with someone that is negative. Surround yourself with friends full of positive energy. Kind of like a laugh that is contagious. A great but funny laugh will infect a whole room of people. If you encounter somebody in a bad mood... ask them to raise their eyebrows. 99% success rate. They raise their eyebrows, and their smile comes with it. Nobles stay happy and please attend your blue lodges to show your support. The degree work will often times make you think about your actions if they are right or if they are wrong.

Stay safe my brothers.

Fraternally,

Tobin Bradley

Recorder's Message ...

Nobles,

No one man can make a team! But one man can destroy a team! From the time I went into the hospital I've been under constant attack, from going to Imperial and trying to have me removed from office to attacking my integrity. I've been under the hourglass all year.

Therefore, I will not be seeking re-election.

Nobles it has been my Honor serving Mizpah and you, my brothers. Thanks to many of you for your support over the years.

As the year comes to a close and the clubs and units elect new officers for 2022, get your list into the office. Remember to have your financial reports for 2021 into the office by February 15, 2022.

Stay safe and have a blessed Thanksgiving with family and friends. Also have a Merry Christmas and remember our Lord and Savior.

God Bless each and everyone.

Membership Notes ...

As we move into 2022, I thought I would reprint the article from Shriners International. These Temples grew their membership. Please challenge yourself, your club and unit to make a plan for growth into 2022. We simply cannot sustain 6% to 10% losses year after year. Little work, lots of fun is becoming lots of work, little fun for many people, and we do not have to have it this way! With all the great things we do, just some emphasis on bringing in new Nobles we can turn these numbers around. We just have to decide to commit to it.

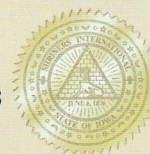

John Runge

The Hall of Fame Luncheon at Imperial Session honored temples that were able to grow their membership. While the pandemic placed new obstacles in our fraternity's path, Shriners did not become discouraged. Here are tips from a few of the temples that achieved Gold status.

"We performed three virtual ceremonials and two hybrid ceremonials (virtual and in person) ... Out of our 114 creations, 52 (46%) were created at a virtual ceremonial."

— ADRIAN AGUAYO
Recorder, Anezeh Shriners

"We put a new spin on our special initiation ceremony. Filmed and ready to go at a moment's notice, we can get the message out across long distances, in other languages, and still provide a common emotion to everyone present."

build RELATIONSHIPS

"Engaging in personal phone calls to Grand Masters of the Grand Lodges of our jurisdiction to commit them to support the Shriners."

think DIFFERENTLY

"To lower the cost of becoming a noble, we were able to have our units pay for fezzes for the new members. This created an activity for the units that were not able to have events but gave them a topic of discussion via emails and Zoom calls."

— DUANE E. CRAPSER
2020-2021 Potentate, Tigris Shriners

"We decided to approach Masons at Fellowcraft, since when Masons are raised to Master Mason, they sometimes are overwhelmed with requests from all bodies. We present the new Fellowcrafts with a coupon for a free steak dinner for him and his wife at our monthly Joppa Steak Nights."

The Master's Last Prayer

The day's labors done
 My journey's end has come.
 A new guide, now lead us on.
 The path may be the same,
 But the style, is his own:
 A new post, will soon pass,
 Another mark, will be reached.
 Let us all pray, he will lead us,
 To an even brighter day.

Horse Patrol ...

Well, it's that time of year again where the leaves are changing, and temperature is cooling down.

The 67th Horse show was a big event and a huge success. It was a hot year, and the water wagon was used a lot! We were able to send 15,000.00 to the children's hospital this year! This was our biggest donation yet, great job to all the guys and gals that helped with this event. Not bad for a 2-day show! We would also like to thank all our sponsors without them contributing to our show book we wouldn't be able to send as much as we do. Next year show dates are Aug. 20-21, 2022, so mark it down! You won't want to miss next year!

Just finished up with our fall fling. It's always a nice time to sit back and relax and have fun trying to win big money. Thanks to everyone who comes out and supports the Horse Patrol with this event.

We also have one parade left, our Veteran's Day parade. What a great chance to bring horses out and display old glory and our military flags for those who have served for us.

The Hillbilly Holiday party just finished up the first weekend in October. The Horse Patrol had a great time presenting the flags of our country, past to present to open their event.

I would like to thank all the people who have helped keep HP grounds and place looking sharp all year long. It's been great to see new members pitching in and helping when needed.

We had a great time up in Chicago for our GLSA competition and parade. The horse patrol was looking pretty good on the street. Next year we will be up in Ann Arbor MI, Steve Scott will be president in 2022 of GLSA Horse.

Sam Winebrenner has just announced our Christmas party date will be Saturday Dec 4. With a 6pm dinner.

We also had our 2022 elections last meeting:

Sam Winebrenner El Presadenta

T J Yagel President elect

and old Brett Anderson as Vice President

And all other officers will hold their same positions.

I have some important dates for Minneapolis MN. Imperial Convention July 2-7, 2022.

A big celebration is planned this year as it is the 100th anniversary for our children's hospitals and 150 years of nobility and the Imperial Shrine. A big party is being planned. With that being said great things are planned for the Horse patrol in 2022. The Horse Patrol will be lodging at the Double Tree by Hilton not too far from the horses that will be staying at the state fair grounds.

Saturday July 2 Competition

Monday July 4 is parade

Tuesday July 5 banquet and awards

As the temperature drops and winter comes rolling in, The Mizpah Shrine Horse Patrol would like to wish everyone a happy Holiday season!

Car Club ...

Fellow Noble's,

If you are interested in joining or just learning more about the Car Club, no need to be shy. You are always welcome to drop in on our meetings (2nd Monday @ 6:30pm) there is plenty of room. You do not need to have a special interest car, just a desire to support the Shrine with a good group of people. To keep things interesting and fun, not all of our meetings are at the Shrine. When we don't have much going on we pick an off-site location (Granite City) for example and bring the ladies.

The Gun Raffle and our Wheel Barrow of Cheer raffle was another huge success. Lots of people were in attendance, the Gun Raffle committee did another outstanding job at putting this event on. Special thanks to Steve Cowan for leading the charge.

If you are not involved in supporting events like this, you miss out on a great opportunity to get to know some really great people. Yes, there is work to be done, but the relationships built while working beside good men (and ladies) far outweigh the effort invested. For those who keep saying 'I don't know who to reach out to'. I didn't know them either, I just showed up and offered to help. After doing that a couple of times, my Masonic family is larger and stronger because of it.

With the Car Club fund raisers completed for 2021, our focus is more about spending time together strengthening the Masonic bond that we all share. The relationships built over my many years of being a Shriner, is what keeps me wanting to come back and 'do this all again next year'.

Don't forget to reach out to a widow or Brother that you have not seen or talked with in a while. With the Holidays right around the corner, check in on them, help make sure they are ready for another Indiana winter.

Tom Lehman
VP Car Club

Y First things first, I want to thank everyone who came out and helped with the fly-in teardown and everyone who helped with the gun raffle. The Yoshi did great with the kayak raffle, and we will be able to do a lot of other great things for the kids with the proceeds. Lastly, the Shrine has the Children's Christmas party coming up on Saturday, December 4th. Santa will be there to take pictures with the kids, and adults. We will have plenty of other fun things for the kids as well so, be on the lookout for that!

APC Members

What a busy summer! We have run the wheels off our tractors. We had our Annual Tractor Drive, with approximately 70 plus tractors, our own Club Tractor Drive, and several members went to the Mackinac Bridge over Labor Day. (You might ask about flat tires on trailers.)

We had a wonderful Sportsman Raffle. I heard they ran out of food and a lot of Camel's Milk was drank by quite a few people. Thanks goes to Steve Cowan for being the Sportsman Raffle Chairman of this event and to the members who sat at the table sponsored by the APC.

Our prayers go to our President Spanky on the loss of his mother. The black camel has hit several of our fellow Nobles at Mizpah and our prayers are with them as well.

Our monthly meetings have been at the Crossroads (SR 9 & 14) and several members have attended. They have been served with good fellowship and food.

See you at the next meeting.

Hospital Unit Christmas Party, Wednesday, December 15, at the Sleepy Owl Supper Club in Syracuse, Indiana. Details will be sent out.

A final thought. If you can, consider being a Mizpah Hospital Van driver.

Fraternally yours, Doug Brouwer, Hospital Unit Secretary.

- In Memoriam – Eugene "Gene" Caryer

1947 – 2021

We mourn Gene's passing. He was an active member and past president of the Hospital Unit. He just completed his 182nd trip transporting patients to Shriners Hospitals. We miss you, Gene. "Father, in thy gracious keeping, leave we now thy servant sleeping."

Election Regulations ...

According to International By-Laws §325.11 Election Regulations

- a. Electioneering: A candidate for an elected office in a Shrine Temple may print, publish, and circulate during the year he is seeking the elected office, a "resume" consisting of his educational background, his vocational history and his Masonic and Shrine record. Except as provided in the prior sentence, the printing, publication, circulating, or distribution of resolutions, letters, telegrams, tickets, email, or other devices, by a unit, club, Noble, or group of Nobles, suggesting, recommending, opposing, or containing the names of proposed candidates for office in the temple is prohibited.
- b. Expenditures Prohibited: The expenditure of money for gifts, favors, or entertainment on behalf of a candidate for elected office is prohibited.
- c. Violation: For any violation of (a) or (b), the Imperial Potentate may suspend any offending Noble, and he may declare the election of the officer's void and order a new election.

Shrine Fundraising Association Seminar at Mizpah ...

The SFA seminar was held September 30th through October 2nd at Mizpah Shrine Center. The SFA is an Imperial Association that is a resource of successful fundraising ideas and guidelines for all member temples. Mizpah has been a member of the association for several decades. The association is one of the reasons our Circus has been so successful over the years when many have failed. Once a resource that was only available to the Divan or Fundraising Directors is now open to all nobles of the member temple.

I am breathing easier and have a smile on my face now. During the weekend we hosted Nobles and their ladies from across the country. There were over 17 different presentations on fundraising. Mizpah Nobles or their Ladies did over half of these presentations. Each of them spent several hours preparing their presentations and did an excellent job of presenting and made Mizpah look great. Other nobles supported the event ensuring every detail was in-place when needed from audio to transportation. Many of them giving up their entire weekend to support the event. The Grillmasters prepared the meal for Saturday's banquet. I had several positive comments about the meal. Carol said, "it was the best prime rib I had ever had, and you know how picky I am when it comes to red meat." Mizpah has a hidden gem with this club. The evening concluded with ice cream and guest speaker Paul Page, The Voice of Indianapolis Motor Speedway.

The association has had full support from Imperial and this year we had the opportunity to meet two of the newer imperial officers, Imp. Sir Mark Hartz and Sir Marty Bartlett who attended with their Ladies Kathy and Martha.

This would not have been a success without all the support that I received from the members of Mizpah. I would like to thank the Divan for supporting me while serving on the SFA board the last 4 years. To my wife Carol for understanding. There are three guys that supported and pushed me through planning and the event. It would not have been the success that it was without my Director Generals **Mike Dold & John Runge** and Chief Aid, **Keith Jacobsen**.

In conclusion, I want to stress how we as a Temple raise our funds, and what our future looks like. If you have ideas, we need them, and the SFA can help you get organized and educated on both the legal and practical parts of your fundraisers. As a member of the association every noble, club and unit have access to the library of training and fundraising examples we can share. So please don't hesitate to reach out to the Shrine Fundraising Association. Shrinefundraising.com

Daughters of the Nile ...

Greetings from Daughters of the Nile,

Wow! I can't believe our year is more than half over. Our Ladies of the Household have been so busy to date. We still have many great events planned for the holidays. Our Autumn Tea Oct. 23 at the Shrine is loved by all who come and enjoy the great food, tea, and company. We appreciate and thank the Shriners who dress up in their tuxes to help serve the delectable treats! Then November 6th is our Vendor/Craft show. If you are needing gifts for your family and friends this Christmas - **YOU DON'T WANT to MISS THIS!!!!** The Imperial Room will be filled with lots of vendors and unique gifts to buy. Finally, December 3 will be our Holiday Wine Tasting. Come enjoy fine wine and food that is perfectly paired together for a gourmet experience. If you have any questions about any of our upcoming events, please contact Joanna Harris at 260-755-9875 for more information.

Lastly before 2021 ends, I just want to express my appreciation to Tobin and his Divan and to all the Shriners who have given Daughters of the Nile their support, encouragement, and help this year. We will continue to reciprocate and help in any way we can to assist the Mizpah Shrine. Working together is the key because as Helen Keller once said, "Alone we can do so little; together we can do so much."

Have a Blessed Holiday Season with family and friends.

Nile Love,

Joanna M. Harris, Queen
