Potentate's Message ...

First off, I want to say thanks to everyone that was able to come out to the Election and the Installation. I would like to say congratulations to all that have been elected to a position for Mizpah and for all our Clubs and Units. Mizpah is not run by a hand full of people, it takes nobles and their ladies from across the entire area to make Mizpah what it is.

On Saturday, January 4th we will have our Unit/Club Leadership Meeting at the Mizpah Shrine Center starting at 9:15am, followed by Van Driver Training. Then we will be preparing for the Shrine Circus at the Allen County Memorial Coliseum. If anyone can help with a show, a day, or the weekend, come out and join us. It is a great weekend for Mizpah. Come out and help setup the basement for our Circus Fair on Wednesday about 5:30pm or tear down after the show on Sunday afternoon, come and help for the kids show on Friday morning, or help with the Circus Fair before or after any of the shows from Friday night through Sunday's start of the show. This fundraiser takes so many people to make this a success for Mizpah. Before the Friday night show any Shriner that can make it out will parade around the Rings and be there for the National Anthem. I am hoping we can have enough guys that would like to hold our Amazing Large Flag in one of the rings during this time.

My memory of Mizpah starts well before I became a member. The memories of riding a bus from Wolcottville with my 5th grade class to the Circus with my Dad, and other Shriners from the LaGrange County Shrine Club are great memories that I still think of. Many of the current members were around back then and I am so proud to be a member of the LaGrange County Shrine Club. Helping on the morning of the kids show brings back so many memories. To know the joy that we can put in the hearts of our school children means a lot.

Thinking a little farther out in the year, I am planning quite a few parades. In May we will participate in the Shipshewana Mayfest Parade, followed by the Memorial Day Parade. In June we will participate in the Huntington Heritage Days and Old Settlers Day Parades. September will be the GLSA Parade, followed by the Callithumpian Parade in October, and finishing the year out with a Ceremonial and Veteran's Day Parade on the same day. We are also starting a new fundraiser on February 22nd we will be having a Comedy Night. We are going to need lots of help that night with bartenders and servers. If anyone would like to help out, please contact me and I will get more information for you.

I would like to say Thank You to Potentate Aaron Murray and his lady Jackie. It has been an honor to serve on the Divan with you for the past 3 years. As a Divan we were able to discuss some very tough subjects, different viewpoints were brought up and discussed and we came to a mutual decision among all of us.

I am very proud to have been elected as the Potentate of Mizpah for 2025, it is a great honor. Lady Heidi and I look forward to a great year of working with the nobility and their wives or girlfriends to make Mizpah one of the best Shrines in the world. We as Shriners tend to work very hard for our kids and have a lot of fun in the process and that is my intent on the next year.

Fraternally,

Brooks Targgart
Potentate 2025

Recorder's Message ...

Greetings Nobles and families!

Winter is here and our Temple year begins anew. I thank the Nobility for the support shown in the December Election. I appreciate the help in the past year as I chunked away at the learning curve. As promised on Election night, I will do my best to continue to observe Shrine and Masonic law and keep our temple moving forward.

Our Mizpah Shrine Circus will be upon us so quickly and each of you, if available, will be welcomed to assist in any manner for this event. The Circus is HUGE. Units and Clubs, please consider sponsoring a group of children to attend the Kid's show on Friday. Mizpah pays for the seating of every child in the audience that day. It is NOT FREE. Even the payment for and return of the coupons is important. Each paid coupon returned assists two children to enjoy the show.

It is my responsibility to remind all that the 2025 DUES ARE NOW PAST DUE! If you have an issue and cannot pay the dues, please let a Divan member know, as we have various methods to assist.

This is the LAST YEAR for distribution of "year" stickers for plastic cards. Shrine International moves totally to Web Fez and the "My Fez Card" app. In the new year, your attendance at meetings and functions will be tracked for you electronically and your Dues payments recorded. If not paid for the year, you will be directed to the Recorder's office for action.

We know there have been issues with the electronic Dues Card and Shriners International is working steadily on this problem along with android and iPhone corporations. If you need help, please contact the office for assistance.

Lastly, Lady Linda and I wish each of you a safe winter and festive Valentine's Day. May you find Peace throughout the New Year. Please be careful and remember to love one another.

Fraternally,
Ron Buskirk, 33°
Recorder

UNIT/CLUB LEADERSHIP MEETING

Saturday, January 4th • 9:15 - 10:45 AM

at the Mizpah Shrine Center Ballroom • Breakfast will be from 8:45 - 9:15 AM

We will go over the calendar and Various Items through the year

Horse Patrol ...

Winter is upon us. All our horses are sporting their new heavy winter coats. They are well bedded, fed and ready to meet the winter storms. Caring for animals in the winter is not without its problems, but we do so happily, so that we can ride so others may walk. 2025 is here. As we look forward to the new year, we can't forget all we accomplished in 2024.

The Horse Patrol started the year by revamping our arena. Major work was accomplished on the main arena that enabled us to handle bad weather and still perform safely. We installed drainage and a new base and topcoat for the arena. This made the footing much better and allowed the water to escape quicker.

After traveling many miles, participating in many practices and parades, summer passed quickly. GLSA was held in Fort Wayne and Columbia City. We showcased our abilities with our drill and flag presentation. We ended the weekend by leading the Shrine units in the community parade.

This summer our biggest event was the 70th annual Mizpah Shrine Charity Horse Show. We had our usual rain, but the show went on. With the improved footing and drainage, all events stayed in the arena. As has been the custom, money was donated to the Shriners Hospital for Children; Chicago and Dayton.

Our Fall Fling was held in early November. Our clubhouse was crowded with attendees, who were determined to have a wonderful time. The evening did not disappoint anyone. It was good to see old and new friends gather for great food and games. Mark your calendar for April 4, 2025, for our spring fling. You'll hear more about this activity as the date draws near.

We ended our yearly activities with our Christmas party hosted by our newly elected Horse Patrol President John Fosnaugh. Our shindig featured good food and an auction for the evening plus lots of conversation and laughter. Special thanks go to our outgoing president, Brett Anderson, for his dedication and hard work this past year. He has proven that he is qualified to herd cats if the need arises. Also honored was our Horse Patrol Captain, John VanVoorst, for his work and dedication to our group. We are thankful for his donation of numerous hours to keep the group strong.

During the evening's festivities, the 2025 officers were installed with as much pomp and circumstance as the Horse Patrol can muster. Potentate Aaron Murray performed the installation.

The evening concluded with a "not so silent auction" of donated items. Sale of these items raised over \$3100. This was earmarked for the Mizpah Transportation Fund. You can be sure, a good time was had by all!

As 2024 activities close. The Horse Patrol wishes you and your family a wonderful, safe and happy winter season. Keep warm and watch out for that ice patch. It's not long until the Circus is upon us. The Horse Patrol will be there. Will we see you there?

Until next time,
Mizpah Horse Patrol

Following the show!

Membership for 2025 ...

As we welcome the new year, we're excited about the opportunities that lie ahead. However, many shrines, including Mizpah, are experiencing a decline in membership. While we've been working hard to reflect a more realistic roster of members, we still see a drop in numbers. Can we turn this around?

The numbers game - The black camel is an uncontrollable number. But our creations and retention are numbers that we can focus on. Retention probably takes up most of our committee's energy because we are constantly trying to find those nobles who haven't paid their dues for this year. This amount of energy costs us time that we'd rather use on creation, marketing, community engagement, and lodge engagement. We work so hard to contact those nobles who haven't paid their bills on time that we can barely focus on getting new Nobles to cold-sands or ceremonials.

The path to becoming a Noble is a journey, a fantastic journey. It should not sound like a chore that someone has to do to become a Noble. It should be exciting for each and every one of us to bring a new brother into the nobility. Even if they haven't become a Mason yet, this journey should help us all rediscover our lodges.

When Mizpah Shrine engages the public and puts the Fez on, that's your chance to show people that you have taken a fantastic journey. People who see your face know that you've traveled far and have become a true Noble. There's no commercial, meme, or website that can truly engage people better than that Fez that you are wearing on your head. Guide them, teach them, create them.

Thank you for your continued service to Mizpah Shrine Center. Let's work hard to get our membership roles moving in a positive direction.

My Fez Card Viewer ... Issues on phones – corrective action

For iPhone users:

The issue began when Apple released their new iOS, version 18.0. Working with their support team, we've identified a fix that we're communicating out to the field: After confirming that they have the latest version of the iOS installed (18.1.1), **when Nobles get the dreaded "blank" screen, there will be a line on one side of the screen and they should turn/rotate the phone such that the line is at the top of the screen.** This will cause the card to reload in landscape orientation.

For Android users:

An update to the app has been released to the Google Play Store. It is likely that old system cache files may still be stored and are causing an error within the operating system. Once it's been confirmed that they have downloaded and installed the latest version of the app, it is recommended to advise these Nobles to restart their phones to clear the temporary cache files and load the app once again. If it still doesn't load properly, the steps necessary to clear out the system's cache files should be employed, with the instructions to restart the phone once again. This should do a "hard reset" of the phone and allow the app to begin to work.

Murpah ...

Today we had our 2nd annual Shopping with a Shriner Trip with our local Shrine kid, Hazel Richardson. Hazel has been a Shrine patient since she was 8 months old at the Ohio burns hospital where she continues to receive treatment. Hazel gives back to the local Shrine Hospitals by having a toy drive all year long with her Hazel's Helping Hands.

Joining Hazel, were Adam Poe, and his wife Lady Heather, Hazel's parents Ashlee and Jason Richardson, and fellow Shriner Bruce Brothers and his wife Lady Lisa. We would like to give special recognition to Bre at 5 Below of Muncie as well, for going above and beyond helping us today. This has been the highlight of our year; this little girl is truly a ray of sunshine. Thank you for the opportunity to help this wonderful little girl.

Teen is state wheelchair racing champion 2 years in a row

Andrea, 17, is not just a state champion athlete two years in a row, she is a determined survivor and a champion in life.

When Andrea was just 4 years old, the southern Illinois child sustained a spinal cord injury in a car accident, which left her paralyzed from the waist down. After receiving emergency care and rehabilitation locally, her family brought her to the specialized spinal cord injury (SCI) rehabilitation program at Shriners Children's Chicago, one of the first children's hospitals in the nation to focus on pediatric spinal cord injuries.

Debra, Andrea's grandmother, recalls how Andrea showed independence even with her SCI. The girl

found ways to climb up stairs, played in her bunk beds, and did "everything else" that small children do. This natural strength and determination may have contributed to her pursuing wheelchair racing in middle school.

Daughters of the Nile ...

Greetings from Teti Sheri Temple No. 60 Daughters of the Nile!

On behalf of our Ladies of the Household, we wish you and your families a Happy, Healthy, Safe, and Prosperous New Year in 2025! With the start of a new year, our Ladies of the Household are once again hitting the ground "running" and wasting no time having many exciting events! I would direct your attention to the advertisements below. We encourage you to reach out to the Chairman of the events, or me, if you have any questions, would like to participate, or need additional information!

We are very much looking forward to working with Illustrious Sir, Brooks Targgart, and his Lady, Heidi, and we anticipate a fun and prosperous year together. Remember—Impossible really means I AM POSSIBLE, and WE ARE POSSIBLE! Together we can accomplish great things!

Safe travels and good health!

Nile Love,
Julianne Hyde, Queen
