Potentate's Message ...

Brothers,

We are living through one of the most difficult times in our nation's history.

The world will never be the same. We all must adapt. Abraham Lincoln said, "The best thing about the future is that it comes one day at a time."

The values of Masonry being the cornerstone of our society, has never been more important than it is today. Mizpah is blessed with a Nobility that desires to labor together to do good work, help others and have fun.

Your Divan has had to make some tough decisions to manage our calendar and prioritize all activities. We have instructed Goeglein's to make no future booking in our Temple for 2020. This will enable us to maximize the use of our Temple for Mizpah functions. Many of our activities will have to be cancelled or rescheduled. We will do our best to keep you informed of calendar changes as they occur.

Keeping our Nobles and their families safe is our top priority. We will be using social media and technology to keep us connected. Zoom meetings is one of the technology tools we are using to do live communications. Mike Hardiek successfully used Zoom to have a virtual Hillbilly meeting. Twenty-nine cousins attended April's meeting from their own living rooms. We will adapt to new methods of communications that strengthen our fellowship,

We have much to look forward to this year. We have the Imperial session in July. The Potentates Ball has been rescheduled to August 1st. September we will celebrate GLSA in Evansville, enjoy the very successful Sportsman's raffle and conclude the month with our Fly In breakfast.

The Hillbilly's will debut the first annual Hillbilly jamboree October third. There will be a Grand Master's One Day Class with a Shrine Ceremonial in Warsaw on October 31st.

We will continue Onion sales, fish fries and Golf outing. Don't forget the IU/Purdue Old Oaken Bucket game. We will get through all these difficult times together. Winston Churchill once said, "difficulties mastered are opportunities won."

You are all winners!

Rudy Mahara

Recorder's Message ...

Notes from a Past Pote

Following is a quote from Henry VanDyke "Time is too slow for those who wait, too swift for those who fear, too long for those who grieve, too short for those who rejoice, but for those who love, time is eternity."

We all love this fraternity and the brotherhood it represents. We must ask a friend to become a Member. We then need to take time to make sure that the friend and Noble is enriched by his experience.

We need to believe in our Mission and ourselves.

There is no limit to the amount of good we can do if we don't care who gets the credit.

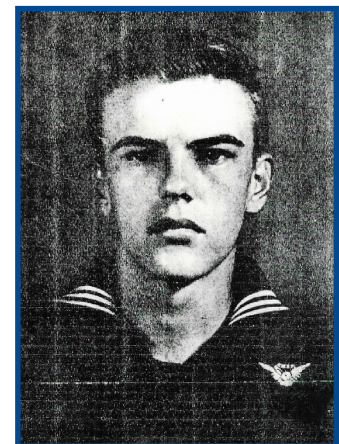

There are many unsung heroes among us. Your contribution is vital.

Acting Recorder*

Legion of Honor

Decorating the graves of the recently deceased is an ancient custom. Most cultures had traditions for memorializing them. Traces of flowers have been found in Neanderthal burial sites. But remembrance was usually limited to the life spans of the contemporaries. Continuing memorials are relatively modern developments. A holiday for decorating the graves of Americans who died in service to their country dates from the Civil War. At least 25 communities claim credit for originating the practice. Most, however, had a one-time commemoration that was not repeated. The first call for a yearly event came in 1866 from a Ladies group in Columbus, Georgia. General John Logan, Commander of the Grand Army of the Republic, issued an order in 1868 setting May 30 as the day for "decorating" graves of those who died in the recent war.

As we mark the memory of the almost one million Americans who made that terrible sacrifice, we should always remember that each was an individual remembered by family and friends, as well as the nation. Pictured here is my maternal uncle, Robert William Jones. Born in 1926, he joined the Navy soon after his 17th birthday in 1943. He was trained as an aircraft mechanic and a crewman on a torpedo bomber. In January 1945, his aircraft failed to return from a ground support mission on the Northern Luzon in the Philippines. No trace of the aircraft or crew were ever found. He was just one of the hundreds of thousands mourned by their family until each, in turn passed away. I am comforted by the knowledge that he, and the others, will be remembered and honored by the nation long after we are gone.

Have a good and respectful Memorial Day.

May 2020 ...

We will never forget the words or sayings; (1) Covid19, (2) we are all in this together, (3) stay healthy, and most of all (4) stay home. These times will change forever the way we live more so than September 11th did.

Let's look about our events coming up this summer.

- a. Who would like to host our Summer Party – Notify President Spanky
- b. The Tractor Drive will take place August 8th
- c. The Ladies Stag will be October 3rd
- d. Mackinac Bridge Crossing is scheduled September 10th thru 12th

Chairmen Dave Bockelman has done a wonderful job in the planning of our biggest event of the year. There are 20 rooms reserved at the Bayside Hotel of Mackinac. The count as of April 12th is approximately 15 APC members going. If you would like to go, call 855-273-0955 to reserve your room. This is a once in a life time event, so think really hard about going to the bridge.

Hopefully, we'll have a meeting in May @ 9 and 14 with more information. If you have questions concerning the Bridge Crossing, call Dave (260-750-0374) after 4 PM.

Stay healthy and take this time to tune-up and shine-up your tractors.

Mizpah Vettes

The Vettes Club

The Mizpah Vettes are alive and well and gearing up for a great parade season.

At our Christmas get together in December 2019 President Michael Brothers presented now Potentate Rudy Mahara with a check for \$5000 to be applied towards van expenses.

January 9, 2020 the Mizpah Vettes met for their monthly meeting to get organized for this year. It was decided that due to lack of activity for the Mizpah Vettes in the winter time that we would suspend our February and March meetings We had planned on meeting at the Temple April 9th but due to the Covid-19 virus pandemic we did not hold that meeting. If meeting limitations are loosened up by Governor Holcomb our next meeting will be May 14th at the Temple – 7pm.

At our organizational meeting we discussed our parade calendar for 2019 and discussed which parades we might participate in this year. I spoke with Potentate Rudy Mahara about which parades the Divan will participate in this summer. Potentate Mahara is still unsure of the full Temple parade schedule but the Ft Wayne Memorial Day parade will be on the list as well as the Imperial Session parade in Kansas City July 4th and the GLSA Session Parade in Evansville in September. Potentate Mahara hopes to have a big turnout for the GLSA parade to support candidate PP Jerry Freewalt

Normally we would be getting excited as we have the date of our kickoff parade. Always a popular parade is the Shippshewana parade – it is scheduled to be held on May 2nd in Shippshewana, it will be our initial parade for 2020. If the parade is held, we will plan on assembling in Shippshewana at 9am for a 10am parade kickoff. However due to the pandemic we are experiencing we are unsure if the Shippshewana Parade will be held, we will keep you informed ASAP.

Good news is that we have added a couple of new members and look forward to them joining us in our parades this summer. We do have room for a few more VETTES!! If you have a corvette give us a shout.

As you all are aware our country as well as the world is experiencing one of the worst times in history. Please keep your friends, relatives, and neighbors in your thoughts and prayers as we work our way through these troubled times.

The Very first Easter was not in a crowded worship space with singing and praising. On the very first Easter the disciples were locked in their houses. It was dangerous for them to come out. They were afraid. They wanted to believe the good news they heard from the women, that Jesus had risen. But it seemed to good to be true. They were living in a time of such despair and such fear. If they left their homes their lives and the lives of their loved ones might be at risk. Could a miracle really have happened? Could life really had won out over death? Could this time of terror and fear really be coming to an end? Alone in their home they dared to believe that hope was possible, that the long night was over and the morning had broken, that God's love was the most powerful of all, even though it didn't seem quite real yet. Eventually, they were able to leave their homes, when the fear and danger had subsided. They went around celebrating and spreading the good news that Jesus was risen and love was the most powerful force on the earth. This year, we might get to experience a taste of what that first Easter was like, still in our homes daring to believe that hope is on the horizon. Then, after a while, when it is safe for all people, when it is the most loving choice, we will come out, gathering together, singing and shouting the good news that God brings life even out of death, that love always has the final say!

This year we may have had the closest taste we have had yet to what that first Easter was like.

It's that time again time to get their shoes put back on the horses and get the saddles out and get cleaned and polished up for the year. A group of us are getting ready for a good Friday trail ride. Our spring fling has been cancelled. We will still be having our Fall Fling on November 6th. If you purchased a ticket for the Spring Fling it will be good for the Fall Fling or you can ask for a refund if you will be unable to attend the Fall Fling. Not much is happening at the club house or grounds it is far too wet and the corona virus has seized and postponed everything till further notice. We have lots of spring projects to tend to if it dries up. Which means that green grass will start to grow again. Sure hope Denny has his blades sharpened to cut the grass. And his mower in tip top shape for the season. Also, anyone that would like to sit on a mower for a few hours is more than welcome to fire it up and mow anytime. Last year we had a great mowing crew. Big thanks go out to Mike Hardiek for the February meal he prepared, and it was very good. Horse show ads range from \$35.00-\$125 book ad or up to a \$200-\$1000.00 sponsor ad or more. If you would like to place an ad in the horse show ad book just talk to a horse patrol member.

Greetings from
the
Daughters of the Nile,

We would like to ask that
everyone stay safe and healthy.
May we soon be able to gather
and fellowship once again.

Upcoming activities to put on your
calendar. In August we are looking
at attending a performance at the
Wagon Wheel. October brings a Tea
10/3/2020 and a Vendor Craft Fair
on 10/31/2020.

There may be other surprises
along the way, so please stay
tuned.

May you all stay safe and
healthy as we journey
through this together.

K Nobles, Greetings!
H Due to the Coronavirus (covid-19) and per
Y the Potentate's directive, the Khybers did not
B meet in March or April. We'd like to remind
E everyone to follow these prevention guide-
R' lines: Wash hands frequently with hot soapy
S water. Avoid touching your eyes, nose and
mouth. Cover your nose and mouth when
sneezing or coughing and try to maintain a
six-foot distance from others. Provided so-
cial gatherings return to normal, the Khybers
will begin our trap shooting at the Horse Pa-
trol grounds May 19th and June 16th at 6pm
(985 IN-9 Columbia City). As always, one
doesn't have to be a club member or own
equipment to join us. Trap shooting is a great
way to test your skill and all shoots are done
in a safe and fun atmosphere. Business meet-
ings will be May 26th and June 23rd with
social hour starting at 6 and the business end
starting at 7.

Fraternally,
Matt Nodine
