Potentate's Message ...

Greetings Nobles ...

Spring has finally arrived across Northeastern Indiana! Tulips & Daffodils have bloomed in numerous landscape beds, flowering trees are just about in full color, and the sound of lawnmowers have begun to fill the air. We've "sprung" ahead on the clock so we can enjoy the daylight well into the evening.

Spring is a time of rebirth & renewal. Just as the plants sprout, flowers bloom, birds lay eggs, and new life begins; we have a sense of renewed energy and have more enthusiasm as we face the things that make up our daily routines. We've emerged from the gray days of winter and begin to renew relationships as we get outside more and reconnect with others. If you have yet to visit our Shrine Center for a meeting or attend a Shrine event, springtime is a great time to do so.

As I pen this message, a group of 34 travelers are about to embark on a Tour of Scotland for the 2024 Potentate's Trip. We are excited to explore new places, meet new people, and make some new friends. And if I am being completely honest, I'm looking forward to sharing a wee dram or three of some good Whisky with good friends! Jackie and I are humbled that so many have chosen to travel with us on this journey Thank You!

Coming up in May, our Stated Meeting will be "on the road". Our Kosciusko County Shrine Club is hosting the May Meeting (May 15) at their building located at the Kosciusko County Fairgrounds in Warsaw, IN. Even though we will be on the road, your Lady is invited to travel and join us for dinner! This is also a great opportunity to reach out to a Shrine Widow and invite her to come as well. What a great way to connect with and keep our widows engaged with the Shrine. I would like to thank Noble Mark Baker for suggesting this ... Well done sir!

Also in May, our annual Night of Hope & Inspiration is set for May 4. This is an evening filled with emotion, joy, and happiness as we hear from Shiner's Children's kids about their journey and experiences. The annual GLSA Salmon Fishing Derby is set for May 17-19. And parade season kicks off with the Memorial Day Parade in Fort Wayne, on May 27. See Parade Marshal, Noble Dave Roose for information and details on parade dates and opportunities.

Until we can be together again, I wish each of you and your family a very Happy Spring.

Slàinte mhath!
(Cheers in Scottish)

Recorder's Message ...

Greetings Mizpah Nobles!

I continue to become grounded in the Recorder's office. The experience with other Recorders, Treasurers and Shrine International leadership in a seminar held in Tampa was truly eye opening. The learning curve continues to straighten. I've learned to keep my by-laws handy. Nearly every question is answered there.

Our Divan/Board of Directors members have now returned from their respective schools and seminars, so it is time to put that newly received information to work. We are doing well in comparison to many other Centers.

Membership! We will visit this topic every month! Do you have a cell phone? If you do, you probably have immediate access to "BE A SHRINER NOW" and that gives you access to an immediate petition to be a Shriner. That same location provides electronic access to Indiana Masons to prepare a petition for membership in a Lodge. So, you really do have your information in your pocket to help a man become a Mason and a Shriner.

There are many events scheduled, but none will pull on your heart strings as much as the "Meet the Shriners Children - Night of Hope and Inspiration." There are many moving parts to this event and you with your family are asked to help. How you help may I ask? Just by attending and witnessing the many perils these families have dealt with on the path to finding a better life for their children and thereby themselves. Saturday, May 4 -

4pm to 5pm Social Time

5pm Dinner is served

6pm Program commences with testimony from family members and possibly even a Shrine Kid or two.

I need to be again on my soapbox to remind all Clubs and Units which may be planning events away from our Center, or scheduling parade participation, you MUST complete an event form for our Potentate to sign. That signature allows your event to have insurance coverage under our policies. The form for this coverage is on our website or you can contact the office for a copy to be sent to you.

Mizpah sends a weekly update in a Constant Contact Blast. It will display in your email. Please open that update and review the happenings. Some of you (about 503) have blocked or unsubscribed to this. We can't cause you to receive again, you must do that, by unblocking or resubscribing. Check the website for details.

That update also has a schedule for Mildred's Lounge. We have employed Chef Faith Runge. She has experience in short orders and large groups. Chef Faith prepares food which may be ordered from the menu. Stop in and see the menu, order a sandwich or maybe a platter. I'm sure you will enjoy the experience.

Our bar service is handled by a couple who have been professionally preparing beverages for some time at various locations in the mid-west. I understand the Chocolate Martini and the Long Island Iced tea were hits from the Circus follow-up event.

As we move on to late Spring and Summer, look forward to an invitation to attend a clean up day at our Center. We will arrange for an additional dumpster and our cleaning can encourage others to be more tidy with our property.

That wraps this edition... Until next time, may Fraternal Blessings abound for all!

Do Not Weep Poem by Suu Casey Young

Do not weep at my passing.
 Do not talk as if I'm gone.
 Though I may no longer be there,
 know that my presence is still as strong.
 Photo's are of the shell
 my spirit wore when with you.
 But memories are the substance
 of how my spirit grew.
 Remember how I laughed and cried,
 the wise or funny things I said.
 Remember the times we spent together
 and know my spirit is not dead.
 When family or friends needed me
 I couldn't always be there,

Horse Patrol ...

We have had the April showers so I guess the May flowers should be on the way. There is lots going on with the Horse Patrol. We had a wonderful Spring Fling. More than 200 fun seekers gathered for good food, fun and fellowship. As usual there was spirited conversation and laughter galore. Everyone must enjoy themselves because you see lots of repeat customers fling after fling.

For the last few years, the horse grounds have had more than its share of rain. Drainage in the arenas have been a problem. Most of the Horse Patrol activities center around the use of the arena, both for the club and rentals. The membership has decided it's time to fix our problem. Since we assumed that asking The Great Architect to schedule drenching rains to not interfere with our activities was not an option, we decided to work from the ground up. If the weather cooperates, before Memorial Day weekend, the large arena will be reworked with a new specifically designed, for our arena, drainage system. While we can't stop the rain, we plan to help it soak in quicker and get on its way to the large drainage ditch faster. This is a major undertaking for the Horse Patrol, but we can wait no longer. We have had to accommodate a sloppy, muddy arena too many times. Besides being messy, bad conditions put the equine participants in danger of injury or death. A broken leg on a horse is tragic.

We finished tuck-pointing the clubhouse late last fall. Again, the weather stopped us getting it painted. The paint crew will be tackling that soon. We have lots of parades planned for the summer. Our first will be the first weekend in May at Shipshewana. There will be several more throughout the summer and fall months. In May we will also start our drill practice every Thursday evening.

Don't forget GLSA will be here in September. The Horse grounds will be hopping. There will be horse activities, an oasis after the parade and dinners for several groups that evening. I'm sure that I don't have to remind you all that the grass is growing, and we are mowing. Always mowing! Come help us mow or come see us at a parade! Whatever you do, just get out and enjoy the brotherhood of Mizpah Shrine.

Until next time,
Mizpah Horse Patrol

Class Directors ...

Directors,

I would like to thank the Class Directors for helping out at the Grand Master's One Day Class March 16th. Our meetings are currently held on the 2nd Tuesday of each month at 7pm. We are in the process of updating our by-laws to reflect a better meeting time, as well as a new focus for the Class Directors.

Dates to keep in mind. June 1st is The Class Directors' Golf Outing at the Garrett Country Club. See the ad in this Allah Bi. The Mizpah Shrine Stated Meeting will most likely have a candidate for each one. So, we are responsible for helping greet and fit new candidates with their fez. This is a very important role that we need help in.

We are also in the process of putting the Class Directors' parade trailer up for sale, as well as the Steel Drums. If you are interested, please let us know. Your presence is always appreciated and welcomed.

LEADERS IN CARE!

Collaboration allowing doctors to take on some of most craniofacial complex cases

Fifteen-year-old MJ has Crouzon syndrome, a rare genetic disorder where the skull fuses prematurely and affects the proper growth of the head. The pressure on his brain was causing his eyes to bulge, impacting his ability to walk, maintain balance and creating some cognitive challenges.

The family came all the way from Jamaica to Dayton, Ohio, largely because of the medical advancements being made through the hospital-within-a-hospital collaboration between Shriners Children's Ohio and Dayton Children's Hospital. This partnership is allowing our physicians to treat some of the most complex craniofacial cases and help children from across the world, many of whom do not have anywhere else to turn.

*We're here to provide the most **AMAZING CARE** anywhere for every child with burn and plastic surgery needs!*

Cone Beam CT (CBCT) technology comes to Shriners Children's Chicago

Shriners Children's offers specialized facial and dental imaging for craniofacial conditions at certain times in a child's growth. The painless process helps surgeons and specialists understand each child's unique facial anatomy.

The Chicago hospital's new CBCT installed in early March is a smaller than regular CT machine and uses less radiation. It moves around the child using a coned-shaped X-ray beam. CBCT provides doctors with a 3D image of the child's mouth, jaw, airway, neck, teeth and ears, nose and throat.

"Quality imaging is essential in order to accurately plan and time surgical procedures," said David Morris, MD, medical director of the craniofacial/cleft team in Chicago.

Greetings Fellow Nobles:

I certainly appreciate everyone's cooperation that I have been in contact with regarding Mizpah Shrine Parades. I am attempting to keep everyone aware of parade opportunities and encourage units to go out and parade whenever possible. Although the following may be redundant here is a listing of parade opportunities I am aware of. I am having problems getting information on the Old Settlers Parade in Columbia City. If anyone has information, please let me know.

- Harlan Days Parade Saturday, August 3. Begin staging 8-9 AM at Elementary School off St Rt 37 on Spencerville Road. Step off at 11 AM and should be over by noon. I ask Nobles to give this parade high consideration.

Please remember to complete the Parade Request Form in the Shrine Center Office and get the Potentates Approval prior to a parade and to ensure you are properly insured in the unlikely event of an accident.

I will be calling for Temple Parade Numbers in the future so please contact your unit members and have a count ready of those that will be parading so I can present proper information for the Parade Oasis.

Happy Parading!

Daughters of the Nile ...

Greetings from Teti Sheri Temple No. 60 Daughters of the Nile!

We had the pleasure of holding our officer installation on Sunday, March 19th at 1:00 PM. Amid many friends and family and beautiful decorations, we enjoyed fabulous food and fellowship and were blessed to have the presence of Illustrious Sir, Aaron Murray, his Lady Jackie, as well as members of the Divan. To the newly installed officers and Ladies of the Household, I wish to offer my heartfelt gratitude and admiration for all you do for Teti Sheri Temple. You are the reasons we have been so successful in the past, and you bring light, hope, and promise for our future as we strive to work together for the children. May we continue to uplift and rely on each other as we build for ourselves, and our Temple, a character worthy of emulation by those who may come after us. I am humbled to serve as your Queen and look forward to working with each and every one of you in service during this upcoming year.
