Potentate's Message ...

I would like to say thanks to everyone that helped make the Grand Master's One-Day Class a success. I would especially like to thank Leo Lodge for taking care of lining up the degree work. It was a very good day; we brought in 11 new Master Masons and 4 new Shriners.

I would like to say congratulations to Lisa Esquivel Long on becoming the Daughters of the Nile Teti Sheri Temple Queen and congratulations to all the officers. We really appreciate the relationship we have with the Daughters of the Nile. There has been great support between the 2 groups, and we want that relationship to continue. The Titanic Dinner was a big success and a fun time. I had the honor of getting my picture taken with Robbie.

I am glad Spring is on its way. We have a very busy couple of months. Friday, May 2nd will be the Night of Hope and Inspiration, please call the office to RSVP. On Saturday, May 3rd we will have the Shipshewana Mayfest parade. The Oasis will be across the street from where we start the parade. Thanks to Lagrange County Shrine Club for taking care of the Oasis. Later that night there will be the Grillmasters Bourbon tasting. If you haven't been to one of these it is a great time, plenty of Bourbon and great food prepared by the grillmasters.

The onions should be in the first 2 weeks of May. Thanks to everyone for pre-selling bags. We haven't done this in a couple years but felt like it was time to try it again. We were able to team up with Zenobia Shrine Center to share a Semi-truck load of onions.

On Saturday, May 10th will be the Ladies Wine Trolley. They will be going to Acres Away Winery and County Heritage. The GLSA Salmon Derby will be on Friday, May 16th, and Saturday, May 17th. Please call the office if you would like to fish. On Tuesday, May 20th is the Grand Lodge Annual Communication in Indianapolis. On Monday, May 26th will be the Annual Memorial Day Parade in Fort Wayne. The Oasis will be at Mildred's following the parade.

On Thursday, May 29th we are going to have a Mizpah Clean-up Day starting approximately 5pm. There are some things we can clean up outside if the weather is good and some things we can work on inside if the weather isn't so good. Finally, Saturday, May 31st is the Mizpah Children's Fishing Derby at Dan Smith's pond off of 469. The Jobs Daughters are also having a Euchre Party that day.

Saturday, June 7th will be the Director's Golf Outing. For those that haven't heard the Director's Staff and the Class Director's have merged and are now called the Director's. Congratulations on coming together as one unit. I am positive it will be a great thing for both groups. On Wednesday, June 11 is the Etna Acres Golf Outing. Saturday, June 14th the Car Club has their Annual Car Show at Lawton Park, then we will have a Temple parade at the Huntington Heritage Days. We are going to try and have a Trivia night on Thursday, June 19th at Mildred's. Saturday, June 21st will be the Old Settler's Day Parade in Columbia City. The Horse Patrol has volunteered to host the Oasis at the Mizpah Horse Show Grounds. Finally, the Mizpah Shrine Golf outing will be on Wednesday June 25th. If you don't have an entire team, please call me or the office and we will get you on a team.

I know not everyone is in a Parade unit, but if you would like to participate in any of the parades, come out and join us. I know the Director's are hoping to have the Giant Flag at all the parades if they can get enough help to carry it. It is such a great sight when that Flag is coming down the street at a parade with 25-30 Shriners proudly carrying it.

Recorder's Message ...

Greetings Mizpah Nobles!

We welcome back Evan, Andy, Mike, and Chris who have now returned from their respective schools and seminars, so it is time to put that newly received information to work. We are doing well in comparison to other Centers.

Membership! We will visit this topic every month! Do you have a cell phone? If you do, you have immediate access to "BE A SHRINER NOW" and that gives you access to an immediate petition to be a Shriner. That same location provides electronic access to Indiana Masons to prepare a petition for membership in a Lodge. So, you really do have your information in your pocket to help a man become a Mason and a Shriner. I am proud to note that Mizpah has a 92% conversion rate of new potential Shriners who have electronically contacted Mizpah for Membership information. A fine example for Shrine International

There are many events scheduled this Spring, but none will pull on your heart strings as much as the "Night of Hope and Inspiration." There are plenty of moving parts to this event and you with your family are asked to help. How, you may ask? By attending and hearing how these families have dealt with adversity on the path to finding a better life for their children and thereby themselves. There is no cost for your attending and enjoying the evening meal with us, hosted by our GrillMasters.

Friday, May 2

5pm to 6pm Social Time

6pm Dinner is served.

Program commences immediately after dinner with personal observations from family members and possibly a Shrine Kid or two

I need to be again on my soapbox to remind all Clubs and Units which may be planning events away from our Center, or scheduling parade participation that you **MUST** complete an event form for our Potentate to sign. That signature allows your event to have insurance coverage under our policies. The form for this coverage is on our website or you can contact the office for a copy to be sent to you.

I know Parade Marshall David Roose will be in contact about the requirements. Many times, we need to file an Insurance Certificate with the Parade Committee of the event for our participation.

Mizpah sends a weekly update in a Constant Contact Blast. We have been averaging over 31% open rate in the first 48 hours. So, please look for these updates which will include a schedule for Mildred's Lounge.

We will have clean up days at our center on April 30 and again on May 29. We look forward to you being here and helping us to encourage others to be tidier with our property, by putting some extra pizzazz on our cleanliness.

That wraps this edition... Until next time, may Fraternal Blessings abound for all!

Horse Patrol ...

Summer is on the way. The grass is growing and in need of mowing. Horses are ready for the summer. Our Spring Fling was a great hit as always. It was an evening full of good times, good food, and good friends. Seeing everyone having such a great time makes all the hard work worth it.

The horses have shed their winter coats and are ready to hit the streets. We have started to practice. All the steeds have come through the winter in good shape. By parade time they will have their new shoes. Shipshewana is the first parade. There is always a good crowd to welcome the Shriners. Our second parade will be Memorial Day in Ft Wayne. This is always a great parade. People are so patriotic. They are eager to interact as we go past.

Between parades we will work on the grounds and buildings. The clubhouse kitchen is going to get some renovation. We installed a donated walk-in cooler. That necessitated a wiring update. That led to discussing an upgrade to the kitchen. We have much of the needed equipment donated. Work will be adjusted to accommodate rentals.

Not much work is needed on the arena. With the improvements made to the arena last summer, the rain of late March drained very quickly. But if you want to come and help, we can always use volunteers to mow. That grass just keeps growing.

Our two big events this summer will be in August and September. On August 16-17 the Shrine Patrol will be hosting the 71st Annual Shrine Horse Patrol Horse Show. This year's show will definitely eclipse last year. Mark your calendar to come watch what we have in store.

Our newest event will be on September 27. The Horse Patrol will host the first annual Mizpah Horse Patrol Buckle Bash rodeo. This is a one-day rodeo and music concert to be held at the horse grounds. This will be in cooperation with 3-J Rodeo Company.

Time to get busy. There are lots of things to get done. Come see us at any of our Horse Patrol activities.

Until next time,
Mizpah Horse Patrol

Dietitians understand the unique nutritional needs of burn injuries

We have a healthy appreciation for National Nutrition Month! Elena and Christina are our two registered dietitians, who make sure our patients get the right nutrients while recovering from a burn injury or babies born with a cleft condition.

Hypermetabolism, or a metabolic rate much higher than normal, occurs immediately after a burn injury. This creates an increased need for calories, protein and micronutrients in order to promote healing. Read more about the role of nutrition: <https://ow.ly/BjTj50VfMZc>

7th Annual State of Science Conference helps bridge research, engineering, technology and healthcare

The 7th annual State of Science research conference developed by Shriners Children's Chicago returned to the hospital February 28 through March 1.

The Ballreich Patient Activity Mall hosted more than 130 physicians, clinicians, data scientists, engineers and researchers. More than 30 presentations covered topics in muscle and bone health, including early research into a compound that could lead to the first oral treatment for osteogenesis imperfecta. Other presentations explored the muscle response in children missing part of one arm, which scientists may use to develop even better prosthetics.

Several Chicago physicians presented, including Dr. Altiok, who shared his early work in partnership with Georgia Tech, on using AI to identify and treat Legg-Calvé-Perthes disease at earlier stages.

Parade Marshal ...

Much of the information for this publication will be the same as published in the March/April Allah Bi. There will be parade information attachments sent to all units for your reference. As of this writing there are 6 Temple Parades with the possibility of a 7th, Three Rivers Parade, July 19. It has not been determined at this time if this will be a Temple Parade or a Non Temple Parade. There has been little information released as it relates to particulars of this parade.

Noble Jan Van Zant has agreed to be the contact for the Large American Flag which takes 30 Nobles to effectively and safely carry in the parades. If you are not a member of a unit please consider contacting Jan at 260-341-4424 and letting him know of your availability.

Prior to participating in a Non Temple Parade please complete a Parade Request Form and return to the Shrine Office. This will ensure in the unlikely event you are involved in an accident you will be covered under the Temple Insurance Policy.

For those that have been unable to attend meetings I have asked for consideration of temple units, when attending non temple parades, to communicate with one another and in the event there are more than one Shrine Parade in any given day, select one parade to attend to have a larger showing of Shrine Units rather than two or more parades having fewer Shrine Units at each parade.

The following are a listing of Shrine Parades:

May 3 Shipshewana Mayfest Parade **TEMPLE PARADE** All units must be at The Shipshewana Flea Market (North Entrance) by 830 AM. Parade will begin at 10 AM. Oasis will be across the street from the start of the parade (Across State Road 5). Registration deadline April 25

June 21 Old Settlers Day Parade **TEMPLE PARADE** 6PM, line up times 3-530 PM. The property will be in use until 3PM. Parade goes on Rain or Shine, entry Deadline June 17. Staging at the former Columbia City High School Parking Lot entering by the driveway at the North edge of the property. William Auer will provide additional information at a later date and line units up for this parade

Daughters of the Nile ...

Dream BIG this year!

By Queen Lisa Esquivel Long

Greetings from Teti Sheri Temple No. 60!

Queen Lisa with
Mizpah Divan
members at her
installation

First, I'd like to thank everyone who attended our inaugural Titanic dinner fundraiser. We sold nearly 90 tickets for this brand-new event. It was a chance to dress up, enjoy a catered meal like that aboard the Titanic, portray a character, dance and learn some history. I was blessed to have a great chair, Katherine Caldwell, who understood the vision and made it happen. We also were blessed to have Shriner's child, Robbie Seymore, dress up with his Titanic ship around his wheelchair. He served as first mate and his father, Matt, explained how important Shriners Hospitals for Children has been to the family.

Thank you also to the Divan members who attended our installation. And a big shoutout to "Mildred" for coming. This year we are the Dreamgirls, and we are certainly dreaming BIG, as evidenced by our lead-off event, the Titanic. It has been a busy April. We also assisted the Shrine Car Club with its annual dinner, which was brought in-house. It was a new experience for those of us who served, and we were happy to help. If you want to add some color to your yard or get a Mother's Day gift, check out our Flower Power fundraiser, which runs through 15.

We look forward to assisting at the Sportsman's raffle and other Shrine events.

Here's to a BIG year
